### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Does not care to keep M. for the winter, but would like a girl in her place - one with a better disposition.

My dear Sir:

For the reason that your daughter Mary's period will terminate at the close of this school year arrangements are being made to have her leave here for your home on Thursday, the 4th of June. Transportation for her passage to Nyando will be provided for her use and it is hoped you can make arrangements to meet her there the following day.

Mrs. John Gray,

Hogansburg, New York.

My dear Madam:

Your letter of recent date was received here this morning and upon inquiry at our Outing Office I learned that your daughter Mary applied of her own free will for the privilege of spending the winter months at one of our Outing homes. In view of the fact that she wanted the privilege and because the home selected for her is one of our very best it will not be advisable now to make the change desired by you.

Your other two daughters arrived here last week and it is hoped we can soon send you the same favorable reports regarding them as have been sent in the past concerning your other children enrolled here.

Very truly yours,

HKM.

March 30th, 1914.

Mr. John Gray,  
Hogansburg, New York.

My dear Sir:

Upon receipt of your letter of March the 27th I made inquiry about the arrangements that are desired by your daughter Mary and I learned that she has decided to remain at the Outing home where she is now located until the termination of the Outing period the latter part of August.

In view of the fact that Mary is old enough to know what arrangements she desires to have made it is my opinion that she should not be returned home in June. She is very nicely located now and is anxious to stay during the summer months.

Very truly yours,

HAM.
