INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

May 18th. 1914

Mr. Meyer: Sam Robinson has a tuberculous condition of the lymphatic glands. Although I cannot demonstrate a pulmonary tuberculosis, I do not like his general condition, and therefore will not object to his being sent home.

Arthur Pilcher wishes to go home but I cannot at this time recommend it from a stand point of health. He also has a lymphatic T.B. which is improving -

Respect.

Mr. F. Robinson,

Macy, Nebraska.

My dear Sir:

Several days ago your son Samuel came to my office with a request that he be allowed to return home for the summer because of his failing health. Our School Physician was then asked to make an examination and to report to me his findings. Today that report was sent to me and I submit below for your information a copy of it:

"Sam Robinson has a tuberculous condition of the lymphatic glands. Although I cannot demonstrate a pulmonary tuberculosis I do not like his general condition and therefore will not object to his being sent home".

In view of this statement by our Physician permission will be given for Samuel to go to his home if an amount of about \$30.00 is sent to me for his transportation. That will allow a very small sum for incidental expenses besides his ticket.

Very truly yours,

HKM.

Supervisor in Charge.

Mr. Harry L. Keefe,
Walthill, Nebraska.

My Dear Sir:

Referring further to the telegram that was sent you last evening to the effect that Sam Robinson is not at all seriously ill, this is to advise that Sam was at my office yesterday, and that last evening the report was made from our Hospital that the slight glandular trouble is improving.

On May the 18th I submitted a report as follows to Mr. Robinson at Macy for his information:

"Sam Robinson has a tuberculous condition of the lymphatic glands. Although I cannot demonstrate a pulmonary tuberculosis I do not like his general condition and therefore I will not object to his being sent home."

I also advised him that since permission would be given for Sam's return home upon receipt of the amount of \$30.00 required to pay for his transportation, arrangements could be made for the trip when that amount is placed on deposit.

Very truly yours,

HKM.

Supervisor in Charge.
