Miss Ora K. Haft,
C/o U. F. Indian Mission,
Tama, Iowa.

My dear Madam:

It has been learned from Horace Foweshiek that he has not requested permission to go to a place under our Outing System this summer because he has been awaiting a definite proposition from Dr. Michelson of the Bureau of American Ethnology, who had told Horace when he was here several months ago that he might have some special work to clear up this summer with Horace's help.

Under the circumstances I will gladly co-operate with you in arranging for Horace to assist you with some work you desire to do when you come to your home in western Pennsylvania early next month.

Trusting that you have not been inconvenienced by this delayed reply to your letter and assuring you that I will do what I can to assist you in completing the arrangements necessary for Horace's visit, I remain,

Very truly yours,

HCH.

Supervisor in Charge.

Tama, Iowa, Mar. 26, 1914.

Supt. Lipps,
Carlisle Indian School,
Carlisle, Pa.

Dear Sir:--

I had a little correspondence with former Supt. Friedman a couple of months ago, with regard to one of our boys, Horace Poweshiek, who is in your school. My home is at Houston, Pa. (near Pittsburgh), and before Horace left here I had told him that if possible I would like to have him get work near there this summer. If this could not be done, if arrangements could be made with the school authorities, I would have him come and visit us when I was home on my vacation.

In January I wrote Supt. Friedman with regard to the matter and he replied that he did not think it best to have him work out of the district in which they were accustomed to send pupils but as to his visiting us it would depend upon Horace's conduct in school and the arrangements that would be necessary to be made (which I took to mean his expenses). I let the matter rest here, supposing school would not close until June, but just learned last week that you were having your commencement the latter part of this month, and that some were going on the outing soon after. Thus I am writing you now to ask you if it can be arranged for him to come to Houston, and if so--when? I wrote him last week and asked him what his plans were but have not heard yet. I told him to talk it over either with yourself or the disciplinarian, and find out what was best to do this summer. I do not want to cut him out of a summer's work but if he still wishes to come I am very anxious that he shall--First, because of my promise--and Second, because I have a little work on the Indian language that I would like to have done and there is no one here who can do it. Horace is the only one upon whom we can depend and you can readily understand what a loss it has been to us to have him go away, however, knowing it was for his own good we urged him to go, and I assure you that I will use all my influence to keep him there. When I found it was not agreeable to the Supt. for him to go to Houston on the outing, I dropped the matter entirely, and am merely asking that he come on a little visit and for a few hours work on the language each day I will gladly pay all his expenses.

If he comes, would you prefer that he come in June, or would it be better for him to come in April? I will have to be here on the field from about May 12 to June 1st, and one of the other workers will be away during that time, but I can go early in April and get back here by May 12th-- in that case he could come any time from April 10 to May 1st and stay 10 days or so. Otherwise he could come sometime the first of June. As I said

Before, I did not know until this past week that your outing began so early, or I would have taken the matter up before.

Supt. Friedman sent me blanks that are used in your outing system, but I judge it will not be necessary for these to be filled out for a visit. However I assure you that not any one in my home uses either intoxicating liquors or tobacco. There is no saloon within 12 or 15 miles of us. We are twenty miles from Pittsburgh and he would be met there at the train and every care will be taken while he is with us. I know Horace very well--his good points and his bad ones--and every precaution will be used to keep temptation out of his road.

May I hear from you right away, as you can readily see if I am to get to Pennsylvania the first part of April it will require some haste.

Thanking you for your prompt attention, I remain

Respectfully yours

My dear Madam:

This is to advise that Horace Foweshiek did not arrive here until this morning, and when he was questioned he claimed that he had stopped off in Harrisburg to see some of the shows. His appearance did not indicate an indulgence in any excesses and he has already gone to work for Dr. Michelson.

I was pleased to note in your letter of July the 8th that Horace made such a splendid record while he was with you and that he proved to you that his efforts have not been in vain. I believe that he has been thoroughly sincere in his desires to overcome his liking for strong drink and I trust he will become further strengthened during the time he is at Carlisle.

Dear Sir: -

Horace Poweshiek is leaving here tomorrow (Thursday morning) for Carlisle. If his train is on time reaching Harrisburg he should arrive in Carlisle at 4:05 or 4:12 P.M. He will probably prefer the 4:12 as it is a better train.

We have tried to make his visit pleasant for him & I believe he has enjoyed it, and has made a very good impression upon my friends. I have only the best

to make of him
behaved splendidly.
carefully watched
how he had as companions
and am glad to say that of
his own choice he selected three ^{of the}
best boys in town - boys who
are strong temperance advocates.
I was so glad of this for
Horace has tried so hard to
for several years to reform
along this line and it has
been a hard struggle but
knowing conditions as I do
I feel that he has done
pretty well.

Hoping that he will arrive
safely tomorrow evening.

My dear Sir:

Replying to your favor of July the 1st I have to advise that Horace Poweshiek went to Miss Haft's home for an indefinite stay and that I have not been notified just when his return to school may be expected.

Jonas Poweshiek is probably the only other student here who would be of use to you in making a study of the Sac and Fox language, and if you desire to try him it will be entirely agreeable to me to have you come at any time.

If you desire that I shall find out when Horace may be expected please let me hear from you.

Will you kindly write me whether Horace Poweshiek has

he is expected ; also whether there is any other Sac and Fox

My dear Sir:

You have been advised by our Dr. Rendtorff regarding the serious nature of the disease that compels me to send Horace Poweshiek to his home at Tama, so I shall only add that he will leave here this evening. At his request transportation for his passage to Tama will be procured for his use.

Horace has been doing some special work here for the Bureau of American Ethnology and he has informed me that he has about \$35.00 now due him from the Bureau. As soon as that amount is received here I will ask for your co-operation in collecting from Horace the amount that has to be expended in sending him home.

Trusting that he will co-operate with you in treatment that will effect a cure in his case, I remain,

Dear Madam:

At Horace Poweshiek's request it has been arranged so that he can leave here tomorrow morning for Pittsburg. He should arrive there at 2.15 tomorrow afternoon and a telegram to that effect was sent you this morning.

The amount of \$8.00 you had forwarded with your letter of May the 27th from Tama was credited to Horace's account and only his transportation will be paid from it. The balance will be retained pending advice from you how to disburse it.

Hoping that Horace will do good work for you and that you will not have any reason to be disappointed in what he has tried to become while a student here, I remain,

Supervisor in Charge,

My dear Sir: -

Your letter of 8th inst.,
relative to Horace Powschick
visiting me was received
and I thank you very
much for your co-operation.
Have delayed answering
until I knew definitely
when I was going to
Pennsylvania.

I expect to leave here
June 3d but will not
reach home until June 8th.
Any time after that will
suit me for Horace to come.

has written ~~me~~ how
that he has to go to
Hampport the 8th, so
you will have to be
judge as to what time
he comes. I hardly under-
stand about what money
should be sent but am
enclosing check for \$8.00
which will cover his carfare.
The less money he has
over actual expenses the better
it will be. Get the ticket just
to Pittsburgh as we can
go from there on the street car.
Let me know just when
he will arrive and I will
meet him at the Union Depot.

When I first wrote the
school I wrote that I would
like to have both Horace and
Jonas Poweshiek visit us,

second time I only
asked for Horace as Jonas
wanted to go on the outing.
I understood why he
was refused but if you
are willing for him to come
I will be very glad to have
him. He wants to come and
says if he is allowed to do
so he can and will pay
his expenses one way. I
will make a little change
for him and knowing
Jonas as I do I believe he will
be better satisfied with
his school if he has some-
thing to break the routine.
He can do a little painting
for us at home and I will
pay his expenses back.

I think both of the boys if
I put them on their honor

back willingly when
visiting time is up.
If you deem it best for
them not to come or re-
turn together Horace would
better come first, as I want
him to work on the transla-
tions.

If you can see your way
clear to giving Jonas per-
mission to come I do not
believe you will regret it,
and I think he will
appreciate it.

After June 3d. my
address will be Box 44,
Houston, Pa.

Thanking you in advance
for your cooperation, I am
Respectfully yours,
