Mrs. Dianna Owl,

Cherokee, North Carolina.

My dear Madam:

I have noted the request you conveyed to me in your letter of April the 13th, but because your son William's period of enrolment at this school does not terminate until after the close of school in June of next year it will be necessary to secure Superintendent Henderson's approval and recommendation if William is to be given permission to go home this year.

I would prefer to have William remain in School, but if it can be established that his services are required at home I will gladly consider your request if it is submitted to me thru the office of your Superintendent.

Very truly yours,

HXM.

Dear Mr. Lipps.

I am writing to you as I have heard you was in charge of the school.

I have a son up at your school whose time is up.

As I would like to have him help me with the farm.

My older son has been married and gone to house keeping

So my farm will lay idle if I can't get ^{no} one to work it.

I have not mansion my boys name, the name is William Owl. So look up his record and see if his name isn't for 3 years His Father signed him for 3 years but now He isn't living. Yours Mrs Lianma Owl.

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SCHOOL
CARLISLE, PA.

April 15th., 1914.

Supt. Lipps: I would not advise an operation of any kind in the case of William Owl. The involved glands have not broken down (formed pus), and, in fact, there is a good chance for resolution to take place. Whereas in former years tubercular glands were ruthlessly sacrificed, modern researches have shown that a healed tuberculosis of the glands, skin, etc. constitutes a protection to the rest of the body. This probably by virtue of antibody formation taking place in the course of healing of these local forms. I have seen two cases of death from general T.B. following upon the removal of the cervical glands. Should the glands in the case of Williams break down a simple operation, namely incision and curettage, will suffice.

Respectfully,

Walter Pundtuff M.D.

Mrs. Dianna Owl,

My dear Madam:

Your son William has been given permission to return home for the summer months and arrangements are being completed to have him join the home-going party of boys which is to leave here on June the 8th. Transportation for his passage to Fla will be procured for his use.

Hoping that William will succeed in regaining his strength during the summer so that he can resume his studies next September, I am,

Mr. William H. Owl,

Cherokee, North Carolina.

My dear Friend:

I have received your letter of December the 13th and have noted that you are not well. It is to be regretted that you have not succeeded in regaining your strength more rapidly, but reports have come here to the effect that you have not cared for yourself at all since you went to your home. That indicates that your present condition may be due in a large measure to your careless way of living and that by this time you might be stronger if you had given your body a chance.

Under the circumstances the request for your money must have the approval of Superintendent Henderson before favorable consideration can be given it. That money you have here in bank must be paid to you thru Superintendent Henderson's office.

Very truly yours,

HKM.
