INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Antoine:

Replying to your letter of August 9th, asking if I know of any place open for you in the Service, I have to advise that I do not know of any opening at the present time, but would suggest that you write directly to the Commissioner of Indian Affairs, at Washington, and send along recommendations from your superintendent, who can state what you have been doing since you left school. It will be necessary for you to make a good showing as to your work since you have been at home, as the Commissioner is very particular about giving positions to people unless he knows something about their qualifications.

It seems that the letter has not succeeded in getting a satisfactory reply from Arcornge, and I would thank you to assist as may be possible to get the matter adjusted. Anaquot has requested me to say that the violin is worth fifteen dollars and that Arcornge should pay him that amount for it.

My dear Mr. Frank:

I transmit herewith a request that was handed to me by Antoine Anaquet. Although arrangements will probably be made to secure a Director of Music before the opening of the next school year it would be of advantage to Antoine to continue uninterruptedly with his music, and as he has been a very faithful student in all he has undertaken here I respectfully recommend that his request for an amount of \$65.00 for the purposes enumerated be granted him.

Careful supervision will be given the expenditure of the amount if sent direct to this office.

A visit to see his people is commendable if he is able to stand the expense connected with the trip. There is very little money here to his credit unless he has other funds to draw from. Furthermore, there is no work here for him to do if he wishes to work during the vacation as his parents or mother is unable to keep him very long without work. His brother, Dominick, is staying from house to house. The step father who is a white man will not keep them unless they go to work.

I would say if he can find work there it would be much better for him to stay where he is.

Mr. Amos R. Frank,
Superintendent, Grand Portage Agency,
Grand Portage, Minn.

My dear Sir:

Antoine Ahnahquod has written me to the effect that the timber on his brother Dominick's allotment has been cut and that there has been no contract authorizing it. He also states that his brother has not received any money for the timber.

I am writing Antoine to see you about the matter so that you can explain the situation to him.

Very truly yours,

HKM.

Superintendent.
