The Reservation Superintendent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Mr. Oliver Gregory,

194 Chapin Ave., Providence, R. I.

My dear Friend:

It has been decided that your name will have to be dropped from our school rolls if you want to remain where you are now located during the entire summer. If you then desire later on to return to school here in order that your transportation home will be provided from Government funds you should give me about a month's notice to enable me to get the required authority to pay for your ticket.

Will you let me hear from you in regard to this matter, stating definitely whether you will want to remain in Providence during the entire summer?

With best wishes, I remain,

Your friend,

HKM.

Supervisor in Charge.

Dear Sir

Mr. Oliver Gregory,

194 Chapin Ave., Providence, R. I.

My dear Friend:

Replying to the letter you addressed to Mr. Meyer at this school on May the 19th, this is to state that it would not be advisable to let you use all the money now to your credit here until it has been determined definitely that you are not to go to your home this year. Under the circumstances it has been decided that \$10.00 would be sufficient to get you started at the work you have secured and a check for that amount is being enclosed herewith.

There is yet to your credit here now a sufficient amount to pay for your transportation from Providence to Carlisle and a balance that could then be used to pay for your incidental expenses enroute home.

Assuring you that I am pleased to hear about your having become so well located and that I will be interested to hear from time to time how you are getting along, I am,

Very truly yours,

HKM.

Supervisor in Charge.

Mr. Oliver Gregory,

194 Chapin Ave., Providence, R. I.

My dear Friend:

I enclose herewith a check for an amount of \$11.13, which represents the entire balance to your credit here and which will have to be sufficient to pay for your transportation from Providence to Carlisle and for your incidental traveling expenses enroute to your home.

It can be arranged to send you on to your home as soon as you arrive here if you arrange so that your trunk will be sent on at the same time you start for Carlisle.
