INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are ~~of~~ intents and purposes white people, are debarred from enrolling in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Mr. Lippes,

4092

You will please excuse me for writing this note but I thought it would be better as I am a little hard of hearing and can not talk very good but I can write. would like to know if you will let Hazel go home her father sent me here after her he is sick he has spine trouble and the Dr. said he will never get well and that's the reason why he wants Hazel to come home. and she has one little brother and one little sister that need's to be cared for and keep house for them my sister was doing all the work but she isn't well she was always sickley. Hazel's father did not give consent to her coming here and my sister Arline is not her guardian Hazel's father was appointed guardian of the three of them the children. Hazel is my half sister. Now Mr. Lippes do not think what I am looking for trouble or any thing like that for I am not. would like to have Hazel stay here but as her father need's her I think it is best for her.

but said any thing to her
it yet I want to ask you
if you will let her go. and then
tell her. I just told her I came
to visit her but she knew her father
is sick, if any thing should happen
to her father we will send her right
back to school here. Here a note here
that he sent but am ashamed to
give it to you as it don't look very
nice.

Yours Respectfully,

Maudie Allen

Miss Hazel Cooper,

Box 102, Carrollton, N. Y.

My dear Friend:

Upon receipt of your letter of September the 28th I had inquiry made about the advisability of allowing you to return to Carlisle and learned that the record you made under the Outing this last year was not entirely satisfactory. Because of the fact that your conduct then indicates that a careful watch will have to be kept over you I am inclined to think you should not be given permission to return to Carlisle. It has been decided that this year only the most earnest and best behaved students can be enrolled here or retained here.

Will you let me hear from you if there are any good and sufficient reasons why you should be permitted to return to Carlisle?

Very respectfully,

HCM.
