A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Friend:

I have noted the request contained in your letter of April the 21st, and in reply thereto will state that since the June Outing changes are to be made the first week of that month it seems only fair that you should remain at your present home until that time. It can then be arranged to let you go to your home without delay.

Frank was given permission to go home so soon after commencement because he was anxious to get to work. He has written me that he is planning to return here next September.

Your brother James has gone to an Outing home for the summer months and is now living with Mr. and Mrs. Theo. S. Snook at Titusville, New Jersey.
