The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Mr. J. W. Dady,
Superintendent, The Red Cliff Agency,
Bayfield, Wis.

My dear Sir:

I have given your letter of December the 28th, with which you transmitted Mr. Michael Morrin's application for the reenrolment at Carlisle of his son Adolph, my personal consideration and have decided that it will not be advisable to allow Adolph to return to Carlisle. His disgraceful conduct on the day our boys started away from Carlisle to go to their homes is known to practically all the students and as other boys who behaved in a similar manner were refused enrolment earlier this year and are being "weeded" out here from time to time I would not be justified in being more lenient with him than with others.

Adolph is practically white so far as appearances go and he took advantage of that fact by running around Carlisle without permission and in committing other offences that are inexcusable.

I shall not object at all to the young man's enrolment at some other school. He has probably profited by his experiences and is now at an age when he should realize that

~~XXXXXXXXXXXX~~
-2- Mr. J. W. Dady, Superintendent.

he will have to be sincerely in earnest about getting an education if ever his training is to be of use to him. If you can suggest any way by which I can be of assistance in giving Adolph a chance at some other school do not hesitate to let me hear from you.

Very truly yours,

Encl.

Dear Sir:

Enclosed please find an application for enrollment from Mr. Michael Morrin for his son Adolph Morrin. Adolph returned from Carlisle last June, his enrollment period having expired. He wishes to return again to Carlisle in order that he may graduate. He seems quite interested and I would respectfully recommend that he be permitted to return. Since he has come, as far as I know, he has conducted himself properly. He worked in one of the barbershops here through the summer and the early part of the fall when business was good.

Very respectfully,

Supt. & Spl. Disb. Agt.

My dear Sir:

I regret very much to advise that when it was time for the home-going party of boys to leave last evening your son Adolph was too drunk and disorderly to accompany them. He was brought back to school from the railroad station and is now confined to the guard-house.

You will be notified at a later date just when you may expect him to arrive at home.

Very truly yours,
