Patron says Edna Estee has lived with her. She is a peculiar girl - hard to get along with, but patron understands her and uses tact in her management. She is very much of a child. Estee is not strong, has to be carefully watched; light work given her. She is neat in work, and is a fair cook.

Patron will keep her all winter if she wants to stay. Her health is much better when she is away from school and she should stay.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Outing pupil.

Mr. M. Friedman,

Supt. Carlisle School.

Sir:

There is herewith inclosed a letter by Mr. D. S. Harris, of Williamsburg, Virginia, together with correspondence relative to Esther Moose, an outing pupil at your school.

It appears that Mr. Harris, in whose family Esther has lived, wishes her services again at this time. If this is an opportunity for the girl to obtain a permanent home, do you believe that she should be allowed to go there instead of waiting to complete the term for which she was enrolled at Carlisle, in the latter case possibly missing the opportunity? This matter is referred to you for your report and recommendations. Please return the inclosed papers with your answer to the Office.

Respectfully,

Second Assistant Commissioner.

Mr. D. S. Harris,

Dear Sir:

I am this day instructing Mrs. A. E. Comly, Glenside, Pa., to send Esther Moose to you as soon as she can conveniently arrange for her transfer. I have advised her to let you know when to expect Esther, and have sent a check from Esther's account here to cover transportation from Glenside to Williamsburg, Va. We are quarantined for measles so it will not be advisable for Esther to stop here. I am instructing the Outing Office to carry Esther as an Outing pupil to Virginia although that is not in our Outing District. She is to be carried "Outing" until her period of enrolment has expired.

Very respectfully,
