That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

My dear Madam:

I have your letter of recent date regarding the return home of Anita Pollard. Replying thereto I beg leave to explain that when Anita went to Miss Edge's home, where she is now staying, it was with the understanding that she would remain there until the regular changes are made in April. It is believed, therefore, that certain obligations are now due Miss Edge and that if it is at all possible to get along without Anita's services at home a change should not be made just at this time.

When Anita returns to school in April the matter can be given further consideration if it is again referred to me at that time.

Trusting this action will be satisfactory to you,
I am,

Very truly yours,

HKM.

Mr. Friedman.

Dear Sir,

In regard to the letter which you sent me some time ago I must say that that the letter was sent to Mr. Wilson as you asked me to, ^{do,} and that is all the satisfaction I can get. I want Anita home at once. We need her here at home, on account of sickness, in the family, and she will be of help to us.

I read the letter you sent to Mr. Wilson, asking whether we wanted her home or not, I told Mr. Wilson

to tell you we wanted her
home. The letter stated that
he send a telegram to you
at once, providing we wanted
her home. Mr. Wilson knows
we want her home, he
should have notified you
at once. But as to whether
he did or not, I do not know.

Most Respectfully Yours,

Mrs. Wesley Hoxie

My dear Friend:

I have your letter of recent date and I am pleased to hear that you have prospered since the time you returned to your home. It is gratifying to know that you give so much credit to Carlisle and that the experiences gained here are proving to be of so much use and value to you in your everyday home life.

The Commencement season will soon be here and we are looking forward to the usual week of interesting exercises and the visits of former students and friends. It is hoped that it will be possible for you to be with us too some time in the future.

The matter of Anita Pollard's return home has been given careful consideration, but for the reason that Anita went to Miss Edge with the understanding that she would remain there until the usual changes are made in April it is now believed that it would not be fair to Miss

-2- Mrs. William E. Perry.

Edge to insist on an immediate change.

If it is at all possible for Anita's aunt to get along without her services until after she returns to school in April I believe it would be best to hold the matter in abeyance until that time. Anita desired very much to return home last year, and as she is now at an age when her own wishes in the matter must be taken into consideration a chance should be given her to decide the matter herself.

I would be pleased to have you explain this matter to Anita's aunt, and to assure her that this matter will be given further consideration if it is again referred to me in April, and when Anita has carried out her part of the agreement that was made when she went to Miss Edge's home.

I trust this will find you well and that I shall hear other favorable reports from you.

Dear Supt:—

Some time has passed
since I've heard from dear
"Old Carlisle,"—and I've often
longed to know—and learn
of the progress she is
making.

I received a letter
this evening, announcing
that Commencement is
drawing near. It fills
me with grief because
duty prevents my coming.

2 -

Make no arrangements for me as it is utterly impossible. I have "made good" since leaving my "Alma mater". Carlisle's principles and teachings have been my guides. Just the thought of dear "Old Carlisle" encourages me when I meet trouble and disappointment.

Is there some possible way of getting Anita Pollard home. Mother seems very much provoked with her not coming when she sent

for her. I told mother that Carlisle stood for Truth and that you would send her in time of need. My aunt, Mrs. M^{rs}. Getrie is her guardian and is in need of her. She is unable to do her work and wishes for Anita.

She will have a good home and get good care - and will be made a good and upright woman if she comes. Anita's folks all want her to return.

There is a high school near here. She can attend it if she wishes.

I would not write what I
have if I thought for once that
Aunt would be disobedient.
Let me know soon as
possible or write to mother.

Best wishes to all.

As ever

Dear Madam:

Since Anita Bellard's period of enrolment had terminated before this year permission has been given her to return home now, and arrangements have already been completed for her to leave here tomorrow evening. Transportation for her passage to Sherwood will be provided for her use, and Anita has sufficient funds with which to pay for her fare from Sherwood to Covelo.

She has made very satisfactory progress during her stay at Carlisle, and she is fitted to take a position in the Indian School Service. If there is anything I can do to co-operate with you in getting Anita placed in such a position I will gladly do what I can.

Hoping that you will be well pleased with what Carlisle has helped Anita to become and that you will notify me of her arrival at your home, I am,

Very truly yours,

My dear Sir:

Anita Pollard, an Indian girl from this school, will leave here this evening for her home at Covelo, California. On account of the fact that the local agent of the Cumberland Valley Railroad Company cannot get authority to issue thru transportation to Sherwood, California, the railroad point nearest Covelo, it will be necessary to provide a ticket only to San Francisco. The routing selected is over the C. & N. W., the U. P. and the So. P. from Chicago to San Francisco.

It is desired, therefore, that you arrange with your officials in San Francisco to care for the girl while awaiting the departure of a train for Sherwood, and that then they provide transportation for her use. The cost of the ticket is to be charged to the account of this school and will be paid promptly upon receipt of advice as to the amount due.

Miss Pollard will present a copy of this letter to your officials in San Francisco, and any courtesy that can then be

Thanking you for the favors that have been enjoyed thru your help in the past and assuring you that I would be pleased to receive a brief report as to the help given in the case I have just presented for your kind consideration, I am,

Very respectfully,

HKM.

Supervisor in Charge.
