INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Important—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their *moral character* and their worthiness for further attendance at a Government institution.

Mrs. H. K. Plummer,

Gowanda N. Y.

Dear Madam:-

I have your letter relative to Adrian Clark and have to say that early in the spring he was placed in a country home at Robbinsville, N. J. but his conduct was so bad that we had to recall him before the other boys returned to the school. He was at the school only a few days when he deserted. He has given much trouble since he has been here and does not seem to show any appreciation for what we are trying to do for him. I would, therefore, not be in favor of having him returned to the school should he be apprehended. I would suggest that you either put him to work at home or place him in some other institution.

Your other boy Raynear is doing a little better. He went under the outing this morning and will live with Mr. William Seaboy at Robbinsville, N. J.

I am sorry I can not give you a better report of Adrian.

Very truly yours,

Superintendent.

Gowanda, New York, Sept. 7- " 1915

Mr Oscar H. Lipps,
Supt. Ind. School,
Carlisle, Pa.

Dear Friend,

I am writing you in regards to Adrian Clarke whom I understands has absconded from his country home in Robbinsville New Jersey and is some where on this Reservation, but did not come home to me. and so far have not seen him yet. I am very sorry that Adrian should run away from work and school, and I cannot account for his doing so as he liked going to school at Carlisle.

I am very anxious that they be kept in school and to learn a trade. They are still young and this is just the time of their lives when a firm hand should guide them, and that is why I sent them to Carlisle. That they may become self supporting. So far as I know they have no bad habits. I should like to have him return to school there until his time is up. waiting to hear from you. Respectfully M. R. H.
