That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

Mr. Geo. M. McDaniel,
Field Clerk, The Union Agency,
Sapulpa, Okla.

My dear Sir:

I am returning to you herewith the enclosures you transmitted to me with your letter of April the 13th for Walter Anderson's signature. The deed conveying all of Walter's inherited land as well as his "surplus" to his mother was executed before a Notary Public.

In connection with the return to you of the receipt for an amount of \$500.00, Walter desires me to say that he would like to have at least \$125.00 of that amount for use here. However, it is my opinion that a great deal less than that amount would be sufficient to cover all the expenditures that Walter will incur while he is enrolled here. He is yet anxious to return home for the summer months in spite of the fact that your wishes as well as his mother's regarding the matter have been made known to him.

Trusting that I can co-operate with you further in protecting Walter's interests, I remain,

Very respectfully,

Mr. O. H. Lipps,

Carlisle, Pa.

My dear Mr. Lipps:

Replying to your letter of the 7th inst, requesting what action should be taken with enclosures forwarded by Mrs. Gilla Anderson, to be signed by her son, Walter Anderson, you are respectfully advised this contemplated action by Mrs. Anderson, is the result of a conference had this this office. It has been discovered that since Walter has arrived at the age of majority that his deed to any of his lands, with the exception of his home stead allotment, will absolutely convey fee title, and such deed would not require the approval of any tribunal to complete it's validity. If Walter should once leave the school on account of his past habits and his tendency for drink, he would be an easy prey for any designing persons, and could be induced to sign a deed to all of his land ^{for} the proverbial mess or pottage. It was, therefore, deemed advisable, as a matter of protection to Walter, that his lands be conveyed to his mother as a check against the contingency as above contemplated.

The deed enclosed with Mrs Anderson's letter describes all of the lands inherited by Walter, it also embraces 120 acres of his individual allotment, known as his "surplus", which, he at this time can convey. Mrs. Anderson's letter does not explain this to him, she probably thinks that it is best to conceal that fact, but I think he should know what he has and he should also be given to understand it is merely a matter of protection; title to this property to be held in trust by his mother and any attempted conveyance by her could be repudiated by Walter at any time, but I apprehend no such difficulties from Mrs. Anderson as she has the best interest of her child at heart. He has been the source of great care and sorrow to her and her motherly instinct will prompt her to do what is best for him, as is shown by her example in this instance.

I, therefore, recommend that it is entirely proper for Walter to sign this deed for his interest in these lands to his mother, and request that you patiently and carefully explain the details of the transaction to him, and urge that it is for his best interest to sign the same.

With reference to the receipt for \$500.00, Mrs. Anderson has been to considerable expense, partly in schooling and clothing and mostly for indebtedness left behind by Walter, she is hard pressed for funds at this time, and as there is some money available in his wife's estate, I took the matter up with the County Court and asked if an advance could not be made to Mrs. Anderson

My dear Walter:

I just received a letter from the Superintendent and he advises me that your deportment and behavior is not very good, and that it may be advisable for the Superintendent to make some other arrangements for you. I have discussed the matter with your mother, and she states that you have heretofore on frequent occasions expressed a desire to enter the Navy, that if it is still your desire, she is also willing for you to enter the service. This will also be an excellent opportunity for you to see the San Francisco Exposition in 1915. If you are still thinking about joining the Navy, I suggest that you take the matter up with Superintendent Lipps, and he will give you all the assistance in making entry. Your mother also advises that if you need any money in making such preparations, to let us know and she will be glad to send it to you. With kindest regards,

The letter conveying this information was handed
to me by Mrs. Anderson, Walter's mother, this morning. He want-
ed funds to come home and stated he was staying with a man by
the name of Daniel Wingard, and this this man would keep he and
another boy until the 8th. She states that she is of the opinion
that designing persons, in Oklahoma, have been writing to Walter
in regard to his property affairs, and probably inducing him to
run away; she very much desires that he remain in school.

I request, therefore, that a rigid investigation be
made as to his reasons for deserting, and Mrs. Anderson further

states that she believes it would be to the best interests of Walter to have the Superintendent carefully inspect all mail coming to him, as the Court has recently entered a decree as to some valuable property for him. I would like to have you advise me if these suspicions are correct. If you have not as yet located Walter on receipt of this letter, kindly wire me at once.

My dear Sir:

Referring to the telegram you sent me August 18th, desiring that I urge Walter Anderson to enlist in the Navy, this is to state that I could not conscientiously advise him to take such action. Walter's habits are so unreliable that no self-respecting man who knows him would be justified in recommending him for so important a duty as enlistment in the Navy.

Regretting very much that so little has been accomplished in Walter's case and again requesting that it be arranged to take him away from Carlisle without delay, I remain,

My dear Madam:

Reporting as was requested by you in your letter of August the 18th, I regret to state that your son Walter has been a deserter twice during the time he has been enrolled here. He was absent from school February 2nd to 18th of this year and again from June 28th to June 29th. No accurate record of his drunkenness has been kept, but as near as it can be determined he has had to be confined to our guard-house ten different times for safe keeping until sobered. He has been drunk twice within two weeks.

Your son David was a deserter with Walter from June 28th to 29th and was also drunk on that trip. He has had a satisfactory record since then, but he had been drunk twice before the dates mentioned.

Trusting that it will be arranged at once by you to take Walter home, I remain,

Mr. Dana H. Kelsey,

Dear Mr. Kelsey:

In further reference to the telegram that has just been sent to you, copy of which is attached hereto, this is to state that I spent a full hour yesterday talking to Robin Dougherty and Walter Anderson with the idea of assuring them anew that I am anxious to help them settle down to something worth while. The result was that Anderson went to town last evening in his citizen's suit and without permission and Dougherty persists in taking the stand with Josiah Sam that they did not come to Carlisle to learn a trade and that now they are not even willing to obey the rules and regulations that are for the guidance of all the young men enrolled here. I have learned that Dougherty came to Carlisle carrying a six-shooter and it seems that he is now making an attempt to find out just how long his defiant attitude is going to be tolerated. He had made a very good record, however, up to the time the work of this school year began last week.

Huckleberry Sheard is an intelligent looking young man, and as he is a full-blood I decided I would have another talk

-2- Mr. Dana H. Kelsey, Superintendent.

with him today. His face is very much in his favor and believing that he may have been influenced by the other young men I appealed to him in my office this morning in the presence of Mr. Roach and our Disciplinarian. An impression was evidently made because he assured me when he left my office at noon that he will let me know before night whether he believes he can do what is required of him as well as all other boys.

You will understand, Mr. Kelsey, that all the young men could be thrown into the guard house and held there until willing to abide by the school rules. That might result in a most unpleasant fight and I believe that nothing at all could be gained by the use of force if they will not see for themselves that they are showing an attitude which cannot result in anything but their dismissal from school.

The indifference shown by the young men is demoralizing and sooner or later other boys will be harmed as well as those of the Five Civilized Tribes who are associating with Anderson, Sam and Dougherty. Since my personal appeals have not been heeded I am of the opinion that nothing can be done for the young men at Carlisle.

Very respectfully,

HKM.

Mr. R. B. Hutchinson,

My dear Sir:

This is to report to you that your ward, Reeley Derrissey, was again found in a drunken condition in the Borough of Carlisle one afternoon the latter part of last week and that he is now confined in our School Guard House.

For quite an extended period of time Reeley has not been allowed to leave my camp, but in spite of such precautions he has secured intoxicants time and again. I am sure he cannot get intoxicants at any of the saloons in Carlisle, but he is so critically untrustworthy that he will associate with the lowest type of white or negro to secure liquor. A certain liberty has to be allowed boys at Carlisle and Reeley cannot be kept in the Guard House all the time, so it seems to me that nothing less than a body guard in constant attendance can keep Reeley away from liquor. Furthermore, this is not an institution where cases like his are expected to be handled. It is the purpose of this school to give an opportunity to those students who can reasonably be expected to make some progress and no time at all to fellows who are apparently worthless and a menace.

-2- Mr. R. B. Hutchinson, Checotah, Okla.

Your ward has done practically nothing along vocational lines and his knowledge of English seems to be confined to a choice lot of profanity. Even that he will not use unless he is drunk. In view of all the young man's shortcomings I have decided that nothing at all can be done for him at Carlisle.

This is to notify you, therefore, that Beeley must be taken away from Carlisle without delay and that he will be kept under punishment until I hear how I shall co-operate with you to remove him to some other institution or to have him sent to your home.

It is not known whether favorable consideration would now be given the request to have a refund made, but I will gladly cooperate as may be suggested if a claim for a part of the \$167.00 paid is to be presented to the Treasurer.

The charge of \$98.70 now outstanding against Robin and the three others who had to be removed from Carlisle with him is a proper one and I trust prompt settlement can be made. Your further assistance in the matter will be appreciated.

Dear Mr. Lipps:

Referring further to letter from your office dated the 7th instant advising that a charge of \$98.70 for five tickets for rail road fare for Walter Anderson, Beeley Derrisaw, Josiah Sam and Robin Dougherty from Carlisle, Pennsylvania to Lebanon, Tennessee remain unpaid, you are advised that this matter was taken up with the guardian of Robin Dougherty and he stated that this boy's tuition for the entire year in the sum of \$167.50 was paid to you in advance, and he felt that since a request was made for the boy's removal from school that a part of the tuition should have been refunded, and requested advice in the premises. He stated, however, if this is a proper charge against the boy and no refund of tuition can be made that he would pay the account.

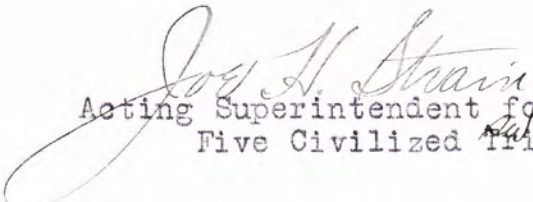

The office would like to be advised in this respect, so that the matter may be properly presented to this guardian and the other boys who were transferred from the school

Dear Mr. Wyly:

I have read your letter of the 14th instant relative to Beeley Derriser's enrolment at Haskell Institute, but must state that I cannot say one good word in his favor. I am anxious, however, to see him have another chance and shall certainly not interpose any objection to his enrolment at Haskell if there is any reason at all to believe that he can make a better record than that he made at Carlisle.

The copy of the letter in your files I had written to Mr. Hutchinson on August the 31st of 1914 states exactly how worthless Beeley was while at Carlisle.

Will you please let me know how I can cooperate with you if it is decided to apply for Beeley's enrolment at the Haskell Institute?

Very truly yours,

HXM.

DEPARTMENT OF THE INTERIOR
U. S. INDIAN SERVICE

OFFICE OF THE SUPERVISOR OF SCHOOLS
FIVE CIVILIZED TRIBES

MUSKOGEE, OKLAHOMA, Feb. 14, 1916.

Supt. O. H. Lipps,
U.S. Indian School,
Carlisle, Pa.

Dear Mr. Lipps:

Mr. R.B. Hutchinson, of Checotah, Oklahoma, the guardian of Beeley Deerisaw, a fullblood Creej Indian boy who is now about 19 years of age, came to see me recently concerning the enrollment of his ward in the Indian school at Lawrence, Kansas. This boy was formerly enrolled at Carlisle where, I am informed, he remained for about one year and later was enrolled at a school at Lebanon, Tennessee. He returned home in November of last year and has not been in school since that date.

I find in our correspondence here a copy of a letter you wrote to Mr. Hutchinson in August 1914, advising him that Beeley was again found in a drunken condition and that he was confined in the school guardhouse. You requested that the guardian make provision for the education of this boy in some other institution. Mr. Hutchinson now represents that Beeley has reformed to some extent and that he has not been under the influence of liquor lately. He also states that

Supt.O.H.Lipps 2.

the boy is very anxious to go to Haskell and that he apprehends he will not remain in a school where only white pupils are enrolled. I would thank you to write me fully concerning this boy and whether or not you think it advisable to request the Office for authority to enroll him at Haskell. I earnestly desire to do the very best thing possible for the boy but I am not sure that his conduct would be much better at Haskell than it was at Carlisle.

Awaiting an early reply from you, I am,

Very respectfully,

A. J. Wyley.

Claims for tuition.

Febr. 19th, 1916.

Mr. Gabe E. Parker,
Supt. for the Five Civilized Tribes,
Muskogee, Okla.

My dear Mr. Parker:

Your Mr. Strain's letter of the 9th instant relative to tuition paid for Robin Daugherty and others has been received and in reply thereto I will state that the matter of securing a refund of a part of the amount that was deposited in the Treasury is being taken up with the Office at Washington. Such action is being taken because there is nothing in our rules and regulations which specifies what shall be done about tuition paid for a part of a year during which a student does not remain at Carlisle and on account of the fact that such a request as that made by Robin Daugherty's guardian has not been made heretofore.

In view of the fact that an immediate decision in the case will probably not be reached by the Office I must again call attention to the urgent necessity that exists for most prompt action regarding settlement of the claim of the local office of the Cumberland Valley Railroad Company for the tickets that were furnished Robin Daugherty and others in

1914. The Auditor of the Company made a special trip to Carlisle this week to learn definitely when a settlement may be expected and as the tickets were furnished on my order I feel personally responsible for the charge that is now too long overdue.

Noting that Walter Anderson does not have any funds to his credit in your office, I beg leave to inquire what co-operation can be extended to effect a settlement of his share of the charge of \$98.70. The expense for the five tickets was incurred at the request of the office at Muskogee and I do not have any way of securing a settlement because I was acting only as an intermediary in the matter.

Assuring you that I appreciate the effort that has been made by your office to assist and hoping that a remittance covering part of the claim can be forwarded soon, I remain,

Very truly yours,

HKM.

In re claims for tuition
Robin Daugherty, et al.

Muskogee, Oklahoma, February 9, 1916.

Mr Oscar H. Lipps,
Supt. Carlisle Indian School,
Carlisle, Pennsylvania.

Dear Mr. Lipps:

Receipt is acknowledged of your letter of the 2d instant, relative to tuition paid for Robin Daugherty, Josiah Sam, Beeley Derrisaw and Walter Anderson. You state that the entire amount received for tuition was deposited in the Treasury of the United States, and you are unable to advise whether favorable consideration would now be given a request to refund a part of said tuition.

The office would like to be advised whether or not it is customary, under your rules and regulations, to refund any part of the tuition where it is requested that the student be transferred to another school, or removed before the end of the term, on account of misbehavior of said student. If it can be done, under your rules and regulations, it is believed that a claim should be made for the unearned portion of the tuition paid, especially by Robin Daugherty.

Since the money was deposited in the Treasury by your office, it is also believed that a claim therefor should be presented by your office. If, however, these boys

Lipps--2

were enrolled in your school with the understanding that no tuition is refunded, and you will write this office a letter to that effect that can be presented to the guardian of Robin Daugherty, the guardian will, no doubt, pay his part of this bill.

The office is securing the amount due from Josiah Sam and requesting the other boys to likewise forward the amounts due, in order that they may be transmitted to you.

This office will be glad to cooperate with you in every way possible to secure a settlement of this claim. In this connection, however, you are advised that Walter Anderson has no funds to his credit in this office, and the field clerk may be unable to secure a settlement from him.

Sincerely yours,

Muskogee, Okla.

Dear Mr. Parker:

I hereby acknowledge receipt of your Mr. Strain's letter of the 25th ultimo, with which was enclosed a draft in the amount of \$24.67 to pay Beeley Derrisaw's share of the charge of \$98.70 outstanding with the local agent of the Cumberland Valley Railroad Company for five tickets that were furnished in September of 1914. It has been noted in the letter that the shares due from Robin Daugherty and Josiah Sam may be expected at an early date and that information is being conveyed to the office where the charge is outstanding.

Inasmuch as it will probably be difficult to secure a similar amount from Walter Anderson because he does not have any funds now to his credit under your jurisdiction, I am referring the entire matter to the Office at Washington with a view of being advised what action shall be taken to settle at once with the Railroad Company. Although the five tickets were furnished at the request of the office at Musko-

gee the Railroad Company cannot look elsewhere than to me to secure payment of the charge too long overdue, and as but a very little of the amount charged for the tickets could come to the Cumberland Valley Railroad that company has not only been deprived of the use of the money they should have received earlier but also of the amount that had to be paid to other lines over which Mr. Roach and the boys traveled enroute to Lebanon, Tennessee.

It can readily be seen that the Railroad Company has been unusually patient in the entire matter and that nothing should now be left undone to secure a full settlement of the charge as soon as possible.

Please find enclosed herewith a copy of the letter that has been addressed to the Office.

Dear Mr. Lipps:

There is transmitted herewith Draft No. 623 dated February 24, 1916, in the sum of \$24.67, drawn by the Commercial National Bank of Checotah on the Mechanics and Metals National Bank, New York, payable to your order, representing the proportionate expense due from Beeley Derrisaw for his removal from Carlisle, Pennsylvania to Lebanon, Tennessee.

The office has hopes of securing the remaining amounts due from Robin Daugherty and Josiah Sam at an early date, and will endeavor to secure the amount due from Walter Anderson. However, it is anticipated that it will be difficult to secure this latter amount; since Mr. Anderson has no funds to his credit and there is no probability that any funds will be received in the near future for his benefit.

Carlisle, Pa.

My dear Walter:

Replying to your letter of April 28th, making request for \$125.00 and permission to leave the school to go away with one of your school mates, you are advised I considered your request very carefully and consulted your mother relative to same. The report of the Disciplinarian at school as to your behavior is not very good and stands in the way of you receiving favorable consideration upon your request. It appears that you have not behaved the best and have given the authorities some trouble. Inasmuch as it is my duty to cooperate with the Superintendent, I must, therefore, deny your request to leave the school until you have earned this privilege by your good behavior. Your mother also very much regrets this but feels that you should stay at the school until you have merited, by your actions, the right to such privileges.

I attempted to get you placed under the Outing system but was advised by Mr. Lipps that you were not eligible to go out also on account of your behavior.

Your mother has sent \$30.00 in care of the Superintendent, and if you need any more money, kindly make request for same through Mr. Lipps, and if approved by him, it will be forwarded to you in care of the Superintendent, at once.

I trust that you will now see the error of your way, consider this letter fully and to realize that it is to your interest entirely, and start from now and turn over a new leaf, that your demeanor should be in entire accord with the rules of the school, and thereby merit the things you desire.

Sincerely,

Carlisle, Pa.

Sir:

I am in receipt of your letter of March 31st, written me in regard to Walter Anderson, which I have shown to his mother, Cilla Anderson, and she still insists that Walter should remain at Carlisle and take advantage of the outing system, and she is not favorable to his coming home at this time or to take any trips that would take him out of the jurisdiction of the school authorities. In view of the property interests this allottee holds in his name, she is much concerned about Walter. Mrs. Anderson also tells me that certain deeds have been forwarded to Carlisle for Walter to sign, transferring his property to her name, the deeds being sent by some attorney in Tulsa. I trust that these deeds will pass into your hands, and the same forwarded to me for further investigation and recommendation.

My dear Sir:

This is to acknowledge receipt of your letter of March the 27th, regarding the amount of \$75.00 that is desired by Walter Anderson for clothing and to take a trip. Replying thereto I will advise that Walter desires to use some of the money to go home for the summer months, but, of course, such arrangements would not have been completed under any circumstances without a recommendation from your office and the proper approval.

The request for the funds was approved by me with the understanding that the money would be sent direct to this office. Here it would have been held pending a decision about Walter's release from school for a visit to his home.

In view of the fact that Walter has to be protected because of those who desire to take advantage of him I will again assure you that no action at all will be taken in re-

Sir:

Replying to your letter of October 22, 1913, enclosing certain papers transmitted from Superintendent Friedman of Carlisle, which had been presented to him for signing by Walter Anderson, a student there, and requesting that I make report in the matter, returning all papers, you are respectfully advised the power of attorney was for the appointment of Cilla Anderson, who is the mother of Walter Anderson, the purpose of the power was to give Mrs. Anderson the proper authority to look after her son's interests and see after the proper renting of the land, collection of rents, etc.

I did not deem it necessary, however, to give her the power to grant, bargain, sell or otherwise dispose of any of his land, and upon objection by this office, she consented that that portion be stricken out. I have, therefore, had a new instrument drawn, which gives her the power to look after the interest of her son, without having the power to sell any part or otherwise dispose of it.

This I believe is for the best interest of Walter because some one should look after his property while away and I recommend that Walter be permitted to sign said power of attorney.

Respectfully,

Mr. M. Friedman, Superintendent,

Sir:

Referring to your letter of October 18, 1913, enclosing several communications addressed to Walter Anderson, one of the Creek boys now enrolled in your school, I now transmit for your information and guidance, report of November 6, 1913 from Field Clerk McDaniel, Sapulpa, Oklahoma, who has investigated the matter and has prepared new power of attorney running to the mother, Cilla Anderson, which eliminates the objectionable features of the power of attorney forwarded by attorneys, Aby & Tucker. The Field Clerk does not state whether or not the attorneys are advised of this action, but inasmuch as the new form for power of attorney has been prepared upon stationery of this law firm, it is believed that the paper as now prepared is satisfactory to all parties.

I agree with the Field Clerk that some one in Oklahoma should be authorized to look after this boy's property, and believe that the mother, Cilla Anderson will be the proper party to do this.

Dear Sir;--

On the 6th instant I wrote to Walter Anderson, a student of your school and enclosed an oil and gas mining lease drawn in my favor from Mr. Anderson together with a letter from his mother asking him to sign the same. I also enclosed New York draft to his order for \$20.00 as she stated that he had written her for that amount. The Probate Court records of Tulsa County, Oklahoma, show Walter Anderson to be of age and at the time I took the first oil and gas lease from him we presumed that he was of age but the Rolls to the Five Civilized Tribes do not show him to be of age, therefore, we are drawing a new lease and he was instructed by me and his Mother to take the matter up with you and you could explain it all to him very easily and he could execute and acknowledge the lease before you.

I would appreciate it very much if you will attend to having the same executed and gladly remit whatever expense is incurred in connection therewith, upon having your advice as to the amount, and I wish at the time of execution of the same you would fill out and forward the notice to the Department at Muskogee that the lease has been taken, which notice is required to be placed in the United States mails within 24-hours after the

I have also noted the contents of Walter's letter to you, and am returning it to you herewith.

Regarding Walter I can say that he seems to have tried to do better, and if he continues to show his willingness to be a man I shall not object to his taking a trip later in the summer. It will all depend, however, on what record he decides to make.

I have noted what you state regarding your own and the wishes of David Bruner's mother regarding his return home. Because you are not in favor of it I am writing to his father as is indicated in the copy of the letter I attach hereto.

Sir:

I am enclosing herewith draft payable to Walter Anderson for \$20.00. I am also enclosing a letter recently received from him, for your information. In this letter he complains that his mother is not giving him any money. It is his mother's wish that he have all the money that he needs, providing, it meets with your full approval. In the letter he states he desires to take a trip to Niagra Falls and some near by points, this money is set^x for that purpose, but is to be supervised by you. If his actions have been such that he is entitled to take these trips the matter is to be left entirely to your discretion, as Mrs. Anderson wants her son to follow the rules of the school strictly and be taught the discipline that he still sorely needs if he is to be given any credit for his efforts. I will be glad to hear from you as to Walter's behavior and any favorable indication that I can give to his mother will be greatly appreciated. She seems to worry about Walter a great deal.

Your telegram of the 22nd asking recommendation for the return home of David Bruner Anderson received. The influences and environments are bad. Mrs. Anderson's husband is given to drink very much and his associates are the same. Mrs. Anderson herself admits that it would not be best for either one of her boys to come home, and having the interest of the boys at heart, a feeling that great ~~peace~~ peace of mind will be given to Mrs. Anderson by insisting on their remaining at school, I cannot recommend that David or Walter be permitted to return home.
