INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

My dear Friend:

This is to advise that further consideration has been given your request to be released from this school and that it has been decided that your name is to be "dropped" on June the 30th. After that date you will not be a pupil at this school, but your relations with us will be that of a former student.

Your father and the Agent at Pine Ridge Agency have been notified that such action will be taken on June the 30th regarding you and so they will know just what your status is in the dealings they may have with you in the future.

You will understand, of course, that you are being given a special privilege, only because you have made a splendid record during the time you have been connected with this school, and I extend best wishes for a continued pleasant stay in Mrs. Mander's home.
