Supt. W. Friedman:

Dear Friend:

Since I am held up, I can better use of the balance due me now for the reason, I must pay my men Friday. The 1st. I can not draw off my contract till it is completed which I will complete on the 15th of August.

I am sure the best time for it to do me any good is this week.

I have another big job after this is completed. Pay day I must keep up for business seems to be getting better. After I finish one job I have another one to start in. I have several small jobs ahead

I think it better if I did
not draw on my Contract
Employment, and
I am clear of every thing
so far as you send the
balance due me.

Thanking you for
the same. I am ever
your struggling student.
Good Bye.

Mr. William C. Shuff,

719 Twelfth St.,

Altoona, Penna.,

Dear Sir,

I have yours of the 18th, concerning a note given by Harry John to C.H. Horner of your city in the sum of 30.00. In reply I have to advise you the Indian service is not a collection agency. While we try to inculcate honesty and teach our pupils to pay their honest debts, you can readily see that persons who extend credit to our boys and girls are pulling the other way and not entitled to our assistance. Paragraph 13 regulations governing individual Indian money explicitly states "~~Persons~~ who extend credit to Indians do so at their own risk". Please advise Mr. Horner accordingly.

Yours truly,

W.H.M.

Superintendent.

Altoona, Pa., Dec. 18/13.

To the Supt. Carlisle Indian School.

Carlisle, Pa.

Dear Sir:-

Mr. C. H. Horner of our City has left a note with me for collection to the amount of \$30.00, given by one Harry John for Boarding, who claims to be a student of your School and claims that there is a certain amount of money due him and in your hands and that said money is now available for the payment of this note. The Judgment note was due August 18th, 1913. Will you kindly advise me as to the correctness of this statement of Harry John and what steps will be necessary to have this note paid, as Mr. Horner is very much in need of his money.

Thanking you in advance for an early reply, I am,

Respectfully yours,

William C. Shuff

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
