INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Kennett Sq., Pa,

February 7, 1915

My dear Mrs Denny,

Little Mary Leo was here this afternoon and we were talking about our many good times we have had while at Carlisle.

It seems that I can never show my gratitude I owe to the "school". Considering all the experiences I had since here, Carlisle has done much for me and I do appreciate it all.

under the guidance of good Miss Way and sur-

rounded by everything that denotes refinement, I cannot but want to be a good useful girl. I have so many opportunities. I can keep house, I am getting a good education at school, I have my church and O so many wonderful things. Miss Way does a lot for me.

Besides teaching me things necessary for life, she often takes me on pleasure jaunts. Sometimes we go to good plays in Philadelphia. Every fall she takes me to Staddon Hall at Atlantic City and often she takes me out calling with her to her friends homes. It is all so nice, so lovely and to think that it all comes through the efforts of Carlisle. So you see that all my life I will always feel indebted to the "school" next year I hope to graduate from the High School here and then I shall go to the German Hospital for training. A nurse has so many wonderful opportunities besides it is such

Christian work I think. I
know I shall like it.

And now may Carlisle
exist forever, and I hope
that every student may
realize her true worth and
strive to live up to her
teachings.

I'm deep, sincere gratitude

I am always

Mr. Lipps Supt Indian School
Dear Sir

I write this letter to ask your permission that my beloved daughter Daisy Chase whose term at Carlisle expired last November she has been living the past four years with Miss Mary E. Way of Kennett Square Penn. Miss Way is a Quaker lady of sterling worth and she very much desires that Daisy remain with her until she graduates from the high school at that place or longer. Miss Way and Daisy are devoted to each other and love each other very dearly and I hope that you permit Daisy to remain with Miss Way instead of returning to Carlisle. Daisy and myself would be disappointed indeed if permission was not granted. Hoping I may soon receive a favorable reply I respectfully remain

Dear friend:-

I have this morning received a letter from H. F. Chase Daisy's father in which he says that as his daughter's term at Carlisle has expired, he wishes her not to re-enrol but to remain with you, indefinitely. I have written him that his wishes will be carried out, and his daughter's name dropped from our rolls today.

I enclose a check for \$20.02 made payable to Daisy Chase. This closes her account here.

We shall still keep up our interest in Daisy and will be glad to hear from her now and then. If at any time, I can assist her in any way, I will be glad to hear from her and will do what I can for her. With best wishes for her continued success, I am

Miss Mary E. Way,

So. Marshall St., Kennett Sq., Pa.

My dear Miss Way:

In the absence from school of Superintendent Lipps, please allow me to acknowledge receipt of your letter of recent date and to state that this year we could not allow Daisy M. Chase to have a Carlisle diploma because no other students were so favored on account of the added work that is required under our newly adopted course of study. It is expected to have a graduating class next year and at that time it will gladly be arranged so that Daisy's work in the public schools of Kennett Square can be considered in connection with the awarding to her of a Carlisle diploma.

It is noted that you are helping her to complete plans whereby she can take up her training in Boston and it is hoped we shall hear from time to time that she is doing equally as well as she did in your home thru your kind help.

Trusting Daisy can be favored next year as is desired, I am,

Very respectfully,

Dear Sirs :-

Miss Daisy M. Chase

refers to you in her application for admission to the Training School for Nurses. Will you please tell us what you know of her moral character, home environment, disposition and intellectual capacity for a profession that demands superior qualifications.

Such information as you are kind enough to give us will be considered confidential.

Yours very truly,

Sara E. Parsons

Miss Sara E. Parsons
Superintendent Training School
Massachusetts General Hospital
Boston, Mass.

Dear Madam:-

I have your inquiry concerning Daisy M. Chase, who has made application for admission to your Training School and am glad to give you the information you desire.

Daisy is a Chippewa Indian girl who came to Carlisle as a pupil, November 3, 1909, at the age of thirteen years. She spent one year at Carlisle and then went to live in the home of Miss Mary E. Way, Kennett Square, Pennsylvania, where she has been ever since. In February 1915, she obtained her father's permission to have her name dropped from our school rolls and to make her home permanently with Miss Way.

Her moral character, during the time we have known her, has been above reproach. She has always done well in school and graduates from the Kennettsquare High School this coming June. I do not know what her home environment was before she went to Miss Way's home. Miss Way is an exceptionally fine woman and has given Daisy the training she would give to her own child.

Trusting that this information is what you want, I

am

Dear friend:-

It is my purpose before long to issue an Outing number of the Arrow and Red Man . Among other facts concerning the outing, I would like very much to publish some expression of the graduates and ex-students as to what the Carlisle outing has meant to them.

I understand you have had considerable outing experience. Would you be willing to write me a letter telling something of your outing experiences and in what ways this experience has been a help to you after you left the school? If you can do this I shall be glad to hear from you soon.

Wishing you continued success, I am
