INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

Mr. Frank Waupoose,
Neopit, Wisconsin.

My dear Sir:

This is to acknowledge receipt of your favor of June the 7th, advising that you were given permission by your Agent to have your daughter Lena expend the amount to her credit in our school bank to defray her expenses for a visit at home during the vacation months. Replying thereto I must advise that Lena has but \$10.06 to her credit, so if you desire that she shall be sent home you will have to deposit with your Superintendent or with me here what is required to pay for her transportation home and back again to Carlisle. It will also be necessary for me to have on file here the written approval of your Superintendent in connection with your request for Lena's return home.

Very respectfully,

H.M.

Carlisle, Pa.

Sir,

I saw the agent here about having Lena come home this summer for vacation and told him that I did not have the money for her fare at present but that Lena had money in your trust. The agent told me to write you and tell you to send Lena and her fare to be paid from the money you have in trust for her,

Get me know by early date
when you will send her
and also how much money
she has.

Very truly,

Frank Waupoose.

Mr. Frank Waupoose,
Neopit, Wisconsin.

My dear Sir:

Replying to your favor of July the 6th, this is to advise that arrangements have been completed for your daughter Lena to leave here for your home on Friday evening of this week. At her request transportation for her passage to Neopit will be procured for her use.

In view of the fact that a small amount of the thirty dollars you sent has to be given to Lena for incidental expenditures enroute home there is not a sufficient balance to pay for her return transportation at the termination of her period of leave. At that time you will be requested to send what is required to cover the balance.

I would thank you to notify me when Lena has arrived at your home.

Very respectfully,

HKM.

My dear Sir:

Mr. Frank Waupoose of Keshena has sent me an amount of \$30.00 to pay for the transportation home of his daughter Lena. In a letter to the girl he states that he cannot take care of the smaller children in his home since their return from the schools they attended during the last year.

In order that it can be determined what consideration should be given the girl's request, which is also the wish of the father, will you please let me have a recommendation in the premises. I would thank you to send me your reply by telegram.

Very respectfully,

Sept. 2nd, 1914.

Mr. Frank Waupoose,
Neopit, Wisconsin.

My dear Sir:

Among the girls now at their homes "on leave", and about the advisability of whose return to Carlisle this fall there is some question, is your daughter Lena. She is not a bad girl by any means but her work here last year indicated that she does not care whether she makes any progress or not and her indifference made it a most difficult matter to care for her. Because she did not take any interest in her work and studies it is believed inadvisable to let her return to Carlisle. Accordingly, I enclose herewith a check for an amount of \$14.32 to cover the balance of the amount she placed on deposit when she left here. Of the \$40.06 deposited an amount of \$5.00 was given to her to pay for incidental expenses enroute home and \$20.74 was expended in paying for her transportation from Carlisle to Shawano.

Hoping that it will be possible for you to have Lena continue with her education in some other school, I remain,

Very truly yours,

HKM.

Supervisor in Charge.
