Sir:

I received a letter from my daughter Clara informing that she has written you and requested you to send the amount of her lost annuity money to me. On her departure she contract for an account at one of the stores in Shawano for which I paid, and some time ago she asked me for shoes and other necessaries which I sent her, this was on or about July 1st 1911.

If such arrangements as above stated ^{can be made} will be appreciated by me and Mrs as I am very much in need of money.

Clara tells me that she will not need this money and it will be used for a good purpose by me. Hoping this will receive a favorable consideration by you I am.

My dear Sir:

This is to acknowledge receipt of your favor of July the 18th, with which you transmitted an amount of \$30.00 to be used to defray the expenses that will be incurred by your daughter Clara in taking a trip home.

Due credit has been given her for the amount and at her request it is being arranged so that she can leave here on Monday evening of next week. Transportation beyond Shawano cannot be procured for her use and you may expect her to arrive there shortly after midnight on Tuesday evening, August the 4th.

I would thank you to let me hear from you when the girl has arrived at your home.

Mr. George Irving,

Neopit, Wisconsin.

My dear Sir:

Replying to your letter of recent date, this is to advise that when your daughter Clara was given permission to go to her home an amount of \$45.69 was placed on deposit by her. She was given \$2.69 in cash to pay for her incidental expenses enroute home and \$20.74 of the amount was used to pay for the transportation that was procured for her passage from Carlisle to Shawano. The balance of \$22.26 is covered by check No. 17 herewith.

This amount of \$22.26 was to be retained here to pay for Clara's return transportation to Carlisle, but it has lately been reported to me that she did not make the best use of her time last year, that she was indifferent and careless and that special attention had to be given to her to keep her in line with the established rules and regulations. Under the circumstances it is believed best that Clara should continue with her education elsewhere, unless she can make up her mind that she wants to return to Car-

lisle to make the best possible use of her time.

If you decide to have her enroll at another school I will be pleased to do what I can to co-operate with you in getting her enrolment effected.

Mr. Miller,

Carlisle, Pa,

My Dear Sir:-

It gives me
great pleasure to write
you a few lines in
order to ask you a few
questions about my

shall to begin with
I must admit that
I sent \$ my daughter
Clara Irving, \$70.00
and this was the

last part ^{a year ago} of last may
in 1912. And in asking
my daughter Clara about
this she told me she
didn't see half of it
so therefore would you
kindly look this matter
over and send me
her Bank accounts
if possible. and another
thing Mr Rickson
told my wife that it
would only take \$3000
for my daughter ^{to} come home on he
said it would \$15⁰⁰ one

way so therefore in
adding the account
it makes altogether
\$30.00 so there must
be some great mistake,

I'll close trusting
you will grant my
request.
