INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Mr. Friedman:

Yours of the first concerning Hannah Kennedy, received.
In reply will say that she is at present in an Honor Cottage.
She is taking an interest in her work, and doing very well. She
has given some display of a bad temper which may get her into
serious trouble, but we hope that she will not lost her place in
an Honor Cottage. Every girl who comes to this School, stays at
least two years; longer, if necessary. We then place them out on
parole. She remains under our care during the rest of her minority.

If you have any suggestions about what might be best to do
with her when she is eligible for parole, we will be glad to consider
any suggestions.

Will be glad to have you come and visit this School and
see the training that we are trying to give our girls here,

Respectfully yours,

Dear Sir;

Hannah Kennedy would like to have some clothing which she says is at the School. She is now in one of our honor cottages, doing very well and we are quite willing for her to have the clothing if you will send it to her. It is one of the privileges which we give to our girls for good conduct. We will be greatly obliged to you for your trouble in attending to this for her.

Carlisle, Pa.

Dear Mr. Lipps:

On August 6th, I visited Hannah Kennedy who was committed to Sleghton Farm, a reform school for girls, on June 5, 1913.

Mrs. Falcomer, Superintendent, gives an excellent report for the conduct of Hannah. They have an honor system in their cottage homes and at one period Hannah was "Mayor" of her cottage. She fell from "grace" and was demoted. Mrs. Falcomer tells me she will again beat the head as she is very ambitious.

In industry she leads in handicraft, particularly lace-making. She is very musical but lacks "application to practice."

Mrs. Falcomer informs me that the Cumberland County Court committed Hannah to this reform institution for two years. Her term expires in June 1915. At that time she may be placed out on parole as she is under the control of same institution until she is twenty-one years of age. She is now eighteen years old.

Mrs. Falcomer says she will be glad to co-operate with Carlisle in regard to any plans for Hannah's welfare.

The letter inclosed is one written by a sister of Hannah's. Very little has been learned concerning Hannah's parentage. It is not known definitely that this is a sister of Hannah's. This letter is to be returned to Mrs. Falcomer.

Mrs. Falcomer would like to have some of our printed matters for use in their various buildings.

Very respectfully,

Lida M. Johnston, Girls Field Agent.

Dear Madam:-

Miss Johnston has presented her report of her visit to the Sleighton Farm to see Hannah Kennedy. I am glad to know that Hannah is making a good record.

Inasmuch as the courts of Cumberland County have taken Hannah out of our hands and have placed her with you, it seems that she is entirely out of our jurisdiction and there is nothing more we can do for her. Her name will be dropped from our roll today.

I am sending you under separate cover a few of the printed mottoes which you requested. I trust they are what you want.

I return Hannah's letter from her sister.

My dear Mr. Lipps:

The receipt is acknowledged of your letter of May 4, 1915, regarding Hannah Kennedy, an Indian girl now at Sleighton Farm, a reform school for girls.

It is noted that Hannah Kennedy will be eligible for parole early in June, at which time she can be placed in the charge of Miss Mary T. Scheurman, of Waterbury, Connecticut, Secretary of the Organized Charities. The Office feels that the parole of this girl in the care of a proper person who will have her best interests at heart is very desirable.

Mr. Matthew K. Sniffin, Secretary of the Indian Rights Association, Philadelphia, Pennsylvania, has this day been advised of the facts concerning the commitment of Hannah Kennedy and her eligibility for parole, and of the desire of the Office to cooperate in the matter. It has been suggested to him that Miss Scheurman correspond directly with you in order that there may be no delay in comply-

You are directed to act with Miss Scheurman in procuring the parole of Hannah Kennedy in her care.
