The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Mr. Ernest Stecker,

My dear Sir:

Replying to your letter of June the 18th, this is to advise that on the 5th instant both Clara Ahpeantone and Minnie Ah-kaun were sent to their homes under your jurisdiction. Inadvertently you were not notified to that effect at that time.

Clara was sent in accordance with the request you conveyed to me in your letter of June the 1st, with which you transmitted a draft for an amount of \$40.00 to pay for her transportation.

Minnie was sent on at the same time because it was inadvisable to try to do anything further for her. She refused positively to obey any one, and stated that she would commit suicide if she could not go to her home. All the girls here were afraid of Minnie and because of her disobedience she was a disturbing element. Her people sent to her or attempted to get to her peyote and money and the girl was desperate. Under the circumstances it seemed useless to attempt doing anything

-2- Mr. Ernest Stecker, Superintendent.

with her or for her and so when an opportunity presented itself to send her home with an escort she was sent on. The transportation was paid for from her own funds.

I understand that Minnie was sent away from Haskell for the same reason she could not be kept here, and as time cannot be given to such girls here at Carlisle the only action to take was to send her away.

Regretting that I could not co-operate with you further in caring for the girl, I remain,

Very respectfully,

HKM.

Dear Madam:

I have your letter saying that you would like to have some pictures of the Carlisle school. You do not, however, state the kind of pictures you want. Do you mean a picture of the grounds? If you will write me again and let me know the kind of pictures you want, I may be able to help you. I might say, however, that we do not have the photographs for sale at the school any more. We have a few old ones left here and it may be that I might be able to select what you want from that bunch.

I have your letter enclosing a dollar to pay for a picture of the school or any other pictures which we might have on hand. I am informed that the school store has sold out the view of the grounds, but I will select you a bunch of photographs which I think will please you, and mail them to you within the next day or two. When your letter of October the 25th was received here, in which you made inquiry about your daughter Clara, I referred it to our School Matron with a request that a report be made me. I submit below a copy of the statement that has been received:

"Clara seems to be well satisfied. She was in the Hospital a couple of days with cold and headache. Miss Beer (the Nurse) says she seems all right. As to the sore on her neck it seems to be well and is all healed over. She says she feels well today."

Hoping that other such favorable reports can be conveyed to you during this school year, I remain,

Dear Sir:-

My Daughter Clara Apeanton who is attending school at your place stole a march on me for I told her that she could go to Chilocco but she told Hilton that I told her that she could go to Carlise and she had the Money for to take her there so he sent her to Carlisle.

She has had a sore on the side of her neck now for nearly a year and was not well yet when she left here.

I want you to notify me if at any time she is not well and also I wish you would let me hear from you as to how she is getting along, and how she is, and how she is satisfied with the place and her work.

Respectfully Yours.

Oscar Apeanton.

Clara seems to be well satisfied - was in hospital a couple of days with cold or headache - Miss Buis says she seems all right. As to the sore on her neck it seem to be all healed over. She says she feels well today - Resp -

Mr. Ernest Stecker,
Superintendent, The Kiowa Agency,
Anadarko, Okla.

My dear Sir:

Upon receipt of your letter of April the 18th, written in behalf of Mr. Oscar Ah-pe-ah-tone in regard to the condition of his daughter Clara's health, this same was referred to our School Physician with a request that he make me a report to transmit to you. I submit below a copy of Dr. Wendtorff's statement:

"Clara has been here in the Hospital for some time and is being treated for tuberculous glands, one of which suppurated and had to be curetted. She is in very good general health. I shall not object to her dismissal from school if this is thought best."

While it is not likely that Clara's health will be injured by remaining in school, I shall not object to her going home if the father will provide the funds required to pay for her transportation and if you recommend that such action shall be taken.

Respectfully yours,

Supervisor in Charge.

Dear Sir:

I have been requested by Oscar Ah-pe-ah-tone to inquire of you as to the condition of his daughter Clara. Oscar states that he had a letter stating that she has been in the hospital for six weeks and wants to come home.

Please inform me if this is true and if, in your judgment she should come home. Clara has never been a strong girl and it was only on the report of the Agency physician that she was fit, that I recommended her transfer to Carlisle last Fall.

An early reply will be appreciated.

Dear Sir:

I enclose herewith, draft for \$40 furnished by Oscar Ahpeahone, father of Clara, for her transportation home.

I will be glad to have Clara accompany the party that leaves school on June 8th and, if possible, would like to see them all routed by way of St. Louis, Mo., thence over the Frisco to Oklahoma City.

In sending these pupils around by Chicago, as has heretofore been done, it makes a needlessly long trip and the extra expense to pupils amounts to considerable, because of the long time on the road.

Very truly,

Ernest V. Eckler
