Patrou says I is one of the most faithful girls she has ever known, she's kind & obliging, she could not do better if she was her own daughter, is patient & sympathetic always ready to wait upon her. She's a good plain cook, neat about her work, has had the responsibility of all the work for 2 mo. since Patrou has been confined to her bed.

Louisa likes her home, she's undecided what she will do in the Spring.

Dear Sir,

My plans have all together changed within the last week, which makes it impossible for me to have Minnie visit me at this time. I am very sorry to disappoint Minnie, but I am sure she will understand the reason when I write and explain it to her.

I hope that I will be able
to have Minnie later on

I appreciate your kindness

My dear Miss Johnston,
Just had a letter
from Minnie, she said she
did not know if she could
come out to the country.
I know Mrs. Turk does
not want her or any other
Indian girl, in fact
she is doing her own work
and expects to for some
time. They have moved

to Frankford,

I have counted the days
when I could see Minnie
I have not seen her for
over a year. You promised
me she could come out
for the spring, Mr Francis
also said she could out
this spring.

Please do try and find
a place for Minnie so
she can come out with

Thanking you for all your

Suggestions for Supplying the Information Requested on this Blank.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Dear Sir:-

The check was
received a couple of weeks
ago, Mr Towle then sent
the check to the The Franklin
Society in N. Y. C. for me
which draws $4\frac{1}{2}\%$ interest,
and this week I added
enough from my account
in the bank here to make
\$235.00 there, and every

month I am going to make
it my duty to put \$5.00
the first of every month
of the year, and not draw
from it at any time if
possible, as I have also a
small sum of money at the
Glenside Bank if I require
any extra money.

I have also taken
out for some time a Life
Insurance for Minnie, so
if ever she is left alone
she can have some

money of her own.

I do so much want her
to study very hard this
winter and be the first one
in what ever she is doing
I have asked her to try
hard, as every thing for
the future is open to her
at the school, now is the
time she must work hard
while she is young, I would
like to have Minnie's report
of school and work if
it will ^{not} cause the teachers

much trouble, once in a
this winter

I shall always be interested
in the school, and would
sometimes be glad to make
a holiday visit.

Thanking you for your
great kindness and interest
in me

I remain Very Sincerely

Dear friend:-

I have your letter and am glad to know that you have placed your money out to such good advantage. It may be that you will not want to do housework for a living all the time and the time may come when your savings will help you to something better. I am also glad to know that you have made plans to help your little sister, Minnie.

I will see the Principal about Minnie's monthly report and letter. I know of no reason why she cannot send you her report every month as you seem to be her nearest kin and guardian.

I will be glad to hear from you from time to time. With best wishes for your success, I am

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colo.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mr John Francis Jr.

Dear Sir,

Mrs Toole told me I could invite my sister Minnie to visit me with your permission. Would you let her visit me for two weeks, I promise to take the very best care of her. I could go to Carlisle and visit Minnie, but I think the change will benefit her greatly. She needs a vacation more than I do. I do hope you will allow her to come as I am so home

sick to see her.

I will send you the money for her ticket.

I would like to have her any day from July 8th which ever "Days suits you" best. I go in the City on Thursday or Wednesday 12th or 11th, I would meet her at Broad St. station.

Please let me know at an early date as possible, also write me the price of her ticket and about meeting her at Broad St. station. and oblige

Yours Truly
Louise M. Thomas
