Ada and Alice Crouse,  
Carrollton, New York.

Dear Friends:

Having noted the request contained in your letter of the 9th instant, I will take this opportunity to state that very unfavorable reports regarding your conduct at home have come to me from two separate sources since the time you left Carlisle. I am sorry to know that you are making such records for yourself, and I urge you now to do differently before it is too late to turn back from the undesirable course you are now following.

I want to hear from you in regard to the matter and then the request for your money will be given consideration.

Very truly yours,

RKM.

Dear Sir

Sorry to say that

Sister Alice and I could not  
return to school this  
fall as mother is  
failing in health and  
wants us to stay home  
and look after her,  
and which we will  
attend a school down

Salamanca high school,  
So please return our  
car fare money, which  
I think is \$14 00 left,  
and would like to have  
my earnings, the \$35. 00 in  
Bank I want to use  
that for schooling,  
and clothes this winter  
I thank you for  
what your school  
has done for me  
during the 2 year

Dear Mr Friedman:

I will now write and explain the trouble to you. I hate to tell you, but I might just as well for I have gone pretty far the first time I ran away with Estel Williams. we met some white boys at the meeting that Sunday and they asked us to take a long walk with them. So we did and we played in the woods with them

untill it got dark then we  
went on, the second time  
I ran away. I met the  
same boy again. as I was  
on my way to school one  
morning. I stayed with  
him untill the next  
morning. that's all  
I will tell about it.

116 July 29<sup>th</sup> 1913

Mr. M. Friedman -

Dear Sir;

You need  
- a telegram from Mr. Fassett  
on Sunday evening saying  
that the Carlisle pupil  
who has been with us since  
April 10<sup>th</sup> Ada Crouse, had  
failed to "return from Church,  
and could not be found,"

Here are the further  
particulars -

Ada attended the Presbyterian  
Church with Mr. Fassett or  
me, but Sunday Mr. F. was  
going down in Maryland to  
see his Mother, and Ada  
wanted to go to Friends'

Meeting and S.S. as her  
sister would be there -

London Grove where the  
Meeting House is, being only  
one mile from us, I consented  
and Mr F. took her as he  
went to Maryland; I said  
S.S. will be over at 12 o'clock  
Ada, you will be home by  
12<sup>30</sup>; she said 'Oh! yes,  
perhaps before - at that time  
I was on lawn looking for  
her, when phone rang, it was  
Ada asking if it would be  
all right for her to stay a while  
with Ethel Williams - I said  
very emphatically "No indeed,

I am alone here with the babies, and  
looking for you home any moment,  
come right away", she said "alright".  
I looked for her all afternoon, but she  
failed to come - I was terribly worried  
about her, as soon as Mr F. came,  
at 6<sup>30</sup> he went right up to Groves  
to look for her. but only found that  
both girls had been to Church, had  
phoned to me, then started in this  
direction, we phoned and inquired  
but could learn nothing - this afternoon  
we heard they were at The County House  
at Emeryville, about 8 mi from here.  
they Mr Fassitt want for them, right  
away - but they would not come, or  
talk except to say they would stay  
there, tomoro morning he will take  
me there to see if I can do anything  
with ~~for~~ her, of course we are only waiting  
to see Miss Johnson, or hear from you  
to know what shall be done with them.  
Ada's relation to me has always been  
most satisfactory - she was a good girl  
and I feel has been influenced by  
the Williams girl, who I learn is  
an unvely girl.

Awaiting your desire in this matter

am sending you this  
handkerchief for your  
present that is I can  
do for now.

Carrollton, N.Y.  
Jan. 15, 1914.

Dear Ada:

I just have a spare  
moment to answer your  
most welcome letter. I am  
so busy now days that  
I actually do not get much  
chance to write to any  
body. Mother also received  
your letter and she pretty  
near went crazy about  
the picture you said you  
would send. ~~As~~ You don't  
know how anxious we  
are to see your picture.

So you must send me one  
for sure so I can show  
off to Dennie. dress your  
self stylish and then have  
your picture taken and  
send some home and I'll  
put it in a frame. Dennie  
thinks that Coraelia is just  
it. you know she goes to high  
school down town and she  
dresses up pretty good. Dennie  
comes <sup>here</sup> almost every Sunday  
to show off some letters that  
Coraelia writes to him just  
as if I cared to read them.

Be sure and send your picture  
this time when you write

again as I am awful  
anxious to see it. I wish  
you and Alice would come  
home to visit us we would  
have a grand time.

What did you think of  
the baby's picture. Who do  
you think she looks  
like?

We have been having  
some pretty cold weather  
for the <sup>last</sup> three or four days.  
And Charlie froze his right  
ear pretty bad.

Maudie is staying with  
us again, and we are  
going to get the school house

over here Sunday.

Do you hear from Maria  
or Emeline Lewis. I heard  
that they were coming  
home for the summer. I  
was over to Elsie's the other  
day you know she was  
sick too but she is now  
getting better.

Do you hear from Leonard?  
I heard that his old girl  
Olive comes down town  
and tries to catch fellows  
but she can't.

I have no more news so will  
close in hope to hear from  
you soon also your picture. <sup>Locally</sup> Please.

Carleton, N.Y.  
Dec. 21, 1913.

Dear Sister Ada:

Mother received your letter some time ago and I have not had the chance to answer it for her. I have been looking for a letter from you all this time.

We are all well here at home. We had the baby picture taken and I am sending you one see how you like it. See how she looks like. They don't seem to be so very

good it is a little to dark  
Mr. Harper took it. I wish  
you would have yours  
taken and send it to me.

I suppose you have  
heard that Alice has  
had the measles.

Bertha Miller ~~has~~  
is going to have her  
Christmas tree Tuesday  
night.

Mrs Taylor is dead. she  
died at the poor House at  
Machias, N. Y.

Elsie L. is sick and

she is going to the Erie  
County Hospital at  
Buffalo. and Mabel is  
there now. you know  
she has the Consumption.  
Sadie was there too but  
she is back home now.  
Matilda and Geneva  
have gone to Iraquon  
to school.

ma was out to Decker  
Bridge not long ago  
and she saw Iva Crowe  
and she wanted to know  
how you are getting along.  
will now close. Set me hear  
from you soon. Sis, Rhoda

Dear Sir -

I am sorry to know  
that one of the Allen girls  
have been telling you  
such <sup>an</sup> untruth story about  
my sisters. My sisters have  
behaved themselves as they  
should, and we have not  
asked any body to be a

reporter on the reservation.  
We knew the very first thing  
who told you. It was  
Maude Allen or whatever she  
calls her self as any body  
would tell you around here  
how many times she has  
been married or in fact  
the Allen girls have ~~as~~ as  
unfavorable reports regarding  
their conduct since they  
have been home from  
Carleide. Claudia has been  
married and her husband  
got a divorce and left her  
for some reason. And she  
is now single but she  
keeps company with a

married man who has  
children to care for. If  
Claudia knew any  
better than that she  
wouldn't keep company  
with a married man.  
I do not see why any  
body or these selves would  
be proud of. When they  
are not any better than  
the rest of the Red Skins.  
I am going to tell you that  
their sister Hazel Cooper is  
not behaving her self as ~~her~~<sup>her</sup>  
sisters think she is. She is  
keeping company with a fellow

who I do not consider  
any where near being a  
gentleman. He is considered  
a thief in the city of Salamanca  
for taking a \$25 dollar  
check which did not belong  
to him. But Hazel thinks  
that he is the only fellow  
in the world. The Allen  
girls have always been our  
worst enemy they would  
do or say anything to  
hurt us. My mother did not  
have the intentions of sending  
them back to school after  
they got home any way. The  
separate sources better look back  
at their own record. Truly Rhoda Ste

Dear Mother —

as I haven't written  
to you folks for so long.  
It seems so that I could  
not delay another day  
to write. how are you all  
coming along with these  
cold winter days? we've  
been having a pretty cold  
weather for several days  
now. especially yesterday  
was an extra day for  
freezing and also had  
a big snow storm.  
how did

I'll take the time of answering it in prompt reply as I'm anxious to hear any of them even once a year is bad enough. How do you like the cold weather? the skating pond will have the pleasure of freezing tonight it will get hard enough so Bonnie Herford won't have to go through didn't he get a nice ice cold bath last winter? I guess I'll have to close as its time for me to be in bed now so I'll have to say good night hope to hear from soon.

your loving sis

Dear Sister:

wee now take the  
greatest pleasure in writing  
a few lines to you tonight.  
How are you now days?  
I am wee as you usually  
know, and hoping this  
will reach you the same  
hours the skating pond  
coming along. I suppose  
you love the same good  
old times down there.  
Have you heard any thing  
from home lately? I just  
got through writing to  
mother, and I hope that

the Christmas. I enjoyed mine  
 pretty good. I got a little  
 chicken from Mr Fassitt.  
 and some ~~some~~ things  
 from Mrs Fassitt. is  
 brother Lonnie still  
 working at the Depot?  
 tell him to write, when  
 ever he thinks he could  
 spare the time even for  
 his sister. I guess I will  
 have to remain.

Love to all,  
 hoping to hear from you

Dear Sis:

got your letter several  
days ago and was perfectly  
satisfied to hear from  
you again for I have  
been wanting to hear from  
you so long, also glad to  
hear that you are all  
well as usual, and sorry  
to say that my old eyes are  
not a bit better than it  
was the time I wrote to  
you last time. I am so

sick and tired of it wearing  
 that old dark glasses. Oh I  
 must explain that running  
 business of mine I wouldn't  
 have done it if she was only  
 good to me, you know that  
 Sunday morning Mrs Fawcett  
 got after me over meat  
 got burned she was in dining  
 room reading & I was down  
 cellar after some butter and  
 she got after me for it. I couldn't  
 help it and she was going  
 to hit me with a butter  
 knife that morning my but  
 I got mad though and  
 I never answered what she

Said to me before that  
 but now I could answer  
 every blame word she says  
 to me especially when she get  
 after me. I don't think she  
 don't love to send for me  
 for I kindly expect to go  
 home maybe this fall  
 I don't know yet you  
 know she and I had  
 another trouble last  
 Monday on account of the  
 kitchen door being left  
 open all night that wasn't  
 my fault either I don't  
 think I go to bed early  
 and they don't they ought  
 to it, we quarreled

all day Monday and I didn't  
get anything to eat all that  
day in the evening she told  
me to sleep down cellar  
So I went down and went  
out through the cellar door  
that goes out, while they were  
eating supper I went in  
where they keep the automobile  
I slept in the machine all  
night. I suppose after supper  
she called me to wash the  
dishes and I went down  
there. and she went and  
telegraphed to Friedman,  
then I expect Miss Johnston  
every day after me. I'll  
be glad when she comes  
and get out of here soon.

She has been so nice through  
 the first part of the summer.  
 But I dont like her anymore  
 then dont be abit surprize  
 when Friedman writes and  
 tell you folks that Jane  
 going home. the girl I ran  
 with was sent home after  
 we came back, we went  
 to Brandywine Springs that  
 Sunday had a nice time  
 riding merry go round.  
 I am glad if I do go home  
 just little thing like that  
 not on account of boys  
 theres nine girls effee  
 on account of boys this  
 Spring (over)

I hope I do go home because  
my old eyes are awful  
I've Dr Reynolds do seem  
to give me anything to  
make it all O.K. I'm going  
to Dr Borne when I come  
home. that is I if so.  
tell Jimmy David (kisses  
you all things) I'm very  
anxious to see your little  
Shady's, hope to see you  
all week. I remain  
your Sis  
Ada Crouse

P.S. Don't write until  
you hear from me  
again tell me not to  
worry about me. <sup>Love Ada</sup>  
<sub>alright</sub>

D.S.

Oh Sis I really forgot  
to tell you about that  
Class Pin of yours. But  
still I hate to tell you,  
one of the Carlisle Boys  
took it from Alice.  
I think its Walter Bradley  
or James Beckwith I  
don't really know  
which it is. But don't  
say any thing to her  
about it for fear she  
might get mad at me.  
I'll pay for it, just  
over

tell me how much it  
was. I am very willing  
to do it for I know I'll  
get the worst of it.  
I am going to ask Doctor  
if I could go without those  
old glasses anymore but  
I hardly know he'll say  
'No ind!' indeed you can't,  
I asked him once before  
at Alice has gone back  
in this fall I fear back  
to Carlisle. —

Remain sure  
more, till Louie

### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs and are to all intents and purposes white people, are debarred from enrollment in the reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Madam:

When your daughters, Ada and Alice, were seen at this office this morning regarding the request contained in your letter of June the 23rd, they stated that they would prefer to postpone their going home until you can provide what is required for their transportation. About \$28.00 would cover the entire cost of the tickets for their going home and from which the transportation for their return to school at the termination of their periods of leave could be provided.

Ada has \$40.50 to her credit and Alice has \$8.15, so I would be pleased to have you write at once what you desire to have done.

The girls will be allowed to go at any time the matter of transportation is satisfactorily arranged.

Dear Madam:

I enclose herewith a check for \$36.02 to cover the amount to the credit in our school bank of your daughter Ada.

The amount of \$28.00 you had sent to cover the cost of your girls' transportation home was placed to the credit of both of them. As an amount of but \$6.54 each had to be used to pay for their transportation the balance of \$7.46 to the credit of each had to be sent in separate checks to the girls.

Trusting that this explanation will enable you to get the figures entirely straight, I remain,

Dear Miss Crouse:

On checking over the pupils' bank accounts at this school, I find that you have a balance of 57¢ and I am enclosing a check for that amount. As the amount is small and you may have some trouble in cashing the check, I suggest that you sign and endorse it and return it in the enclosed franked envelope, which requires no stamp, and I will send you the amount in postage. Please attend to this as soon as possible as we are sometimes caused considerable trouble by checks being held and not cashed.

Dear Sir:

received your Card  
today and thought would  
take the pleasure in ans-  
wering it as I have the  
time to do it, and I am  
very sorry indeed that  
I don't have any to send  
you any money. But I'll  
try to send you some  
later on. Why don't you  
write home ask them to  
send you some. they ought

Some to spare I should  
 think, ask Lonnie to send  
 you some. I got a letter  
 from R.D.C. the other day,  
 she said they were all  
 well as usual. I don't  
 have any thing to tell  
 you at present so I'll  
 have to make a sudden  
 stop. I remain

your Sis

P.S. hope to hear from you  
 again.

(Part Two)

Oh! I forgot to tell you that I think I am going home soon maybe next week, I don't know yet. on account of my old country folks. you know I had a trouble with them Mrs Fassitt rather, I wouldn't have done it if she was only good to me, she told me to sleep down cellar without any supper either but (Oh you kid) I didn't I went down cellar and went out through the door I went in the place where they keep the automobile I slept there all night. when she found out that I wasn't down cellar she telegraphed to Mr Friedman and told <sup>him</sup> that I ran away that night. I think

II

Miss Johnston is coming  
after me. Oh, I am looking  
for her every blessed  
day. I hope I shall come soon  
for I am anxious to go away  
from here. I suppose I'll  
get in the old (Lock up) too  
before I go home. Say how did  
Ethel Williams get expelled? I bet  
I know I even ran away  
with her that Sunday we  
were at London Grove  
it was all Mrs Facitti's  
fault too that day I quarreled  
with her before I left so I didn't  
care what I done that  
time. So do be a bit Surprize  
when you hear that I am in  
a lock up. you must  
come and see for I have  
some thing for you

I cant use it its a light  
 blue Ribbon one of these  
 25¢ yds I bought two  
 yards I was going to send  
 that to you but I havent  
 had the time. So Ill bring  
 it with me. or I might go  
 right straight home without  
 stopping here then Ill send  
 it to you after Ill get  
 home, also some money.  
 Oh you must give me a  
 list of things present you want  
 I might be able to get you  
 the things that is if I do  
 go home. I sure I am  
 though. also I think on account  
 of my eyes I have an awful  
 sore ones I wear dark  
 glasses like red (Stevens).

See! But I hate them though  
 I hope I dont have to wear  
 them so long. how Mr Bradley  
 heres a note give it to him  
 read it first. you must stay  
 with it this time why sure  
 tell him (Sure) about marriage  
 I told Steven (Sure) next summer  
 (Hot Jam) I am going out S. Wakata  
 with him too in 1914) if nothing  
 gets in our way.

your Bradley

Mrs. Ida Crouse,  
Carrollton, New York.

My dear Madam:

Referring to your letter of August the 2nd and the report that had been made you several days previous to that date, I have to advise that your daughter Ada was located last week and that she has been taken back to her former outing home. She was taken in at the County Home after two day's absence from her outing home and was then secured there by our Girls' Outing Agent.

I have received a report from our Outing office to the effect that Ada had done very well at the home she is again staying and that it was only because she had come under the influence of Ethel Williams, a girl who had run away with her, that she misbehaved. The other girl has been returned to school and we should not have any further difficulty with Ada.

Very truly yours,

Dear Sir:-

Yours of the 30th received. In reply to your request, Ada Crockett has not yet returned. And will be glad to notify you if she does. I am safe in saying Ada has no money as we haven't sent her any since she went to school. At that rate I hardly think she can get

unless she got  
it from some one  
else. Trusting you will  
do your best to find  
the girl we will do  
the same. Hoping to  
hear a satisfactory  
reply.

I remain yours

Mrs. Ida Crane
