Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Mr. Albert Masquat,
Quarryville, Pennsylvania.

My dear Friend:

Referring further to my letter of June the 29th, this is to advise that I have heard from Superintendent Minor regarding your sister and brothers.

He has reported that they are now living with their aged grandmother and other relatives and that you would not be in a position to be of much service to them even if you were now at home.

Under the circumstances I agree with the Superintendent that it will be for your best interests to continue with your school work. Then upon your return home you will be all the better fitted to take care of your sister and your brothers.

Very truly yours,

HKM.

Supervisor in Charge.

Supervisor O. H. Lipps,

Carlisle, Pa.

Dear Sir;-

Replying to your letter of June 29th you are informed that it is my opinion that Albert Masquat is endeavoring to get up some excuse to return to this reservation before his term of enrollment expires. His younger brothers and sister do not need his care. They do not live with their step mother. They live with an aged grandmother and other relatives.

Albert pays very little attention to his brothers and sister when he is here. The two brothers are aged 16 and 12., and the sister is about 15 years of age. Albert nor his brothers and sister have a home of their own. I think he should remain at school until he fills his contract unless some other more urgent circumstances arise.

Very respectfully,

Edw. Minder

Superintendent.

Mr. Edwin Minor,
Superintendent, The Kickapoo Agency,
Horton, Kansas.

My dear Sir:

Albert Masquat, who is enrolled here from the Agency under your jurisdiction, has submitted me a letter from his sister in which she claims that her step-mother is mistreating her and the other younger children in that home and that she wants him to come home.

I am writing Albert that the matter is being referred to you, and if at all convenient I would thank you to write me so that Albert can be assured that there is no necessity for his return home.

Very respectfully,

HKM.

Supervisor in Charge.

Mr. Edwin Minor,
Superintendent, The Kickapoo Agency,
Horton, Kansas.

My dear Sir:

I thank you for your letter of May the 14th, with which you submitted a communication from Albert Masquat for my information. The latter is being returned to you herewith for your files.

No doubt Albert desires to complete plans to run away from the Outing home where he is now located, and under the circumstances his father should not send any money direct to him. Nothing has been heard here regarding the debts he mentions in his letter, and as Mr. Bucher is an experienced patron I am sure he would refer any such matter as Albert mentions to me direct.

Assuring you that I will gladly co-operate with you further as may be required to have Albert continue as a student here, I am,

Very truly yours,

HKM.

Dear Sir:

Just a few lines to inform you that I'm well and happy, enjoying country life first rate.

I am out here on the farm working for a farmer by the name of Mr. W. P. Bucher, he's a nice man to work for. Learning few points in farming. If I am out here I'm just the same as under the school rules. I'm obeying best as I can while out here on the farm, going to stay out here all summer getting \$17.00 a month. But I don't get any of it until fall when I get back to school. This farmer I'm working for owns 340 acres. So that keeps me busy all the time getting good training. Mr. Minor, I owe some debts here I'd like to pay or settle up. I was rather in a hard luck the other day when I went to town, had a runaway broke the buggy very badly my boss's buggy. He only charge me 11.00 dollars for the trouble of breaking it, and would like to have some myself for spending money. So send me at least \$15.00 need it very badly. George and Isaac are at the school are not going out outing at all. Will now ~~xxxx~~ come to conclusion my address Quarryville, Pa.

Dear Sir;

I am inclosing herewith a letter received from Albert Masquat , a pupil of Carlisle , who is working at Quarryville, Pa. He want s me to send him some money, but as I have drawn his allowance for this year, I felt if he has any money at the school he should draw on that instead of his Bank account.

His father was in the office yesterday , and showed me a letter Albert had written him asking for \$20.00 so he could come home. I feel that the boy is planning to run away.

I think it best that he remain at school instead of coming home.

Very respectfully,

My dear Friend:

Replying to the letter you addressed to Mr. Meyer at this school on June the 26th, this is to state that permission to go to your home cannot be given you until I am assured that you could be of service to your sister if you did come home as she suggests.

In order that I may know just what consideration to give your request I am writing to Superintendent Minor about the matter and am asking him to let me hear without delay what the conditions are at your home.

In the meanwhile it will be best for you to continue with your work at Mr. Bucher's home.
