Mr Sipps;

Dear Sir:-

I am home here now and I am doing all I can to help my grand-parents and my grandmother is very sick at this time and she is not able to do anything for herself. It is pretty hard to tell what she will become of her but I have hopes she will get over again. It is her kidneys and she has the sudden

pains.

Mr Lipps I think you
what you have done for
me also you have sent
me home in a most
kindly way and I shall
never forget of dear
old Carlisle and what it
have taught me while
I was there and how I
earned money.

We are having a bad
weather here and the
snow about three feet
deep here and I did not
had any trouble on my
way home.

I wish all The student
body will have a good

Education like I had and
put them selves up as
an examples before their
other fellow students.

This is all I can think
of for this evening.

I will remain yours
Sincerely

March 1st, 1915.

Mr. S. A. M. Young,
Superintendent, The Winnebago Agency,
Winnebago, Nebr.

Dear Mr. Young:

After my letter of February the 25th had gone forward to you Ethel Greenhair came to me stating that she had become anxious about her grandmother's condition and because of the grandfather's frequent absence from home would like to go home sooner than was specified in my letter.

Believing that the girl should be favored because of her desire to be of assistance at home I have consented to let her go. At her request arrangements are being completed to have her leave here tomorrow evening and a ticket good for her passage to Winnebago will be procured for her use.

In view of the fact that Ethel's period of enrolment has not terminated and there is really no reason why the government should be charged with her transportation it has been agreed by her to pay for the ticket from her own funds. She has more than \$300.00 to her credit here on which she will draw.

Em-
-2- Mr. S. A. M. Young, Superintendent.

Hoping that my action in this case meets with your approval and that Ethel will decide to return to Carlisle to continue with her studies between this time and the opening of the next school year in September, I remain,

Very truly yours,

HKM.

Supervisor in Charge.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

Winnebago Agency, Winnebago, Nebr.,

February 18, 1915.

Supervisor Oscar H. Lipps,
Carlisle Indian School,
Carlisle, Penna.

Dear Mr. Lipps:

Ethel Greenhair it appears from our records entered Carlisle in March, 1910. John Pelkey who appears to be one of our better Indians is her grandfather. He says that Mrs. Good Old Man, Ethel's grandmother, signed for her with the idea that she was to stay three years. Through some misunderstanding it proved to be five years instead of three and it seems that the five years will be up next month. The grandmother is not in good health and is anxious to have the girl returned in the latter part of March if not inconsistent with your rules. Probably your rules do not count the fraction of the year in which she entered, but since there is a misunderstanding I feel that the girl should be allowed to come home at this time since, if she is held, it will make the grandmother feel that good faith is not being used. It will be hard to explain to her why the girl does not come at the end of the five year period. I leave this to your judgment and sense of fairness.

Very respectfully,

J. J. [Signature]
Superintendent.

SY:EG

Febr. 25th, 1915.

Mr. S. A. M. Young,
Superintendent, The Winnebago Agency,
Winnebago, Nebr.

Dear Mr. Young:

I have noted with care the contents of your favor of February the 18th relative to the desire of Mrs. Good Old Man that her granddaughter, Ethel Greenhair, be returned home as soon as she has completed her five year period of enrolment the latter part of March.

According to the Indian School Rules Ethel should not be allowed to return home until the close of school in June, but because there has been a misunderstanding and the weakened old grandmother could not be made to understand why Ethel should not return at the end of the five years regardless of rules governing the matter I agree with you that it will probably be the advisable course to take to release the girl next month.

Ethel has been advised to that effect and arrangements to have her leave at that time will be made. You will be notified at a later date when the girl may be expected at home.

Very truly yours,

HKM.

Supervisor in Charge.

Winnebago Rebr.
Dec. 12, 1915.

Dear Sir:-

As I am lying in my bed here this morning I will take the greatest of pleasure in writing to you to let you know that I am getting along nicely also I have lost a baby boy last Tuesday morning at Four O'clock Dec. 7, 1915. and I am feeling bad over my first pretty baby boy yet for I was so proud of it too but you know that we all have to die and loose each other even our best first born children.

The father of the baby hanged

himself last April Thursday
22/9/15 and the doctor have
told me than that the baby
won't live for the father had
killed himself also the baby
died in the same way and
the father's name is Ster-
ling B. Snake.

I now wish that I was
back at school and stay a-
mong the white people out
in the country and earn
money and make \$6000.00 now.

Mr Sipps will you please
to give me the prizes of the
Red & Gold high Collar
Sweaters and the sizes in
answering of this letter.

I guess you are all getting

ready for Christmas but
here I am lying flat on my
back for a week and can
not get any Christmas presents
for any body for I am in bed.

I haven't got any more
news to tell only that all the
Indians around here are
getting ready for Christmas.

This is all the news I can
think of for this morning
so I will conclude my letter
and send you my best wishes &
regards To you all and the
student body and wish them
A Merry Xmas & A Happy New
Year.

I will remain yours,

She has an excellent disposition, cheerful and happy is willing but dull about learning. Too early to decide about keeping her. I found Ethel very much improved in manner and looks. She has a great deal of self confidence now which if put to the best advantage will aid her greatly but if allowed to grow undeveloped will make her somewhat disagreeable. She is an excellent worker.

No. 17827,	"	"	"	25.00
No. 17880,	"	"	"	8.00

According to our records none of these checks has ever been cashed, and they are carried as outstanding and unpaid. Please tell us, if this bunch of checks was ever received, and if they were, why they have not been cashed. This is in reply to yours of Nov. 16th asking that we send you \$25.00 direct.

This we can not do under the regulations, and your requests for funds should be made through the school authorities and endorsed by them. Then we will send the money to the school, and they will give it to you.

However you should take up your need of money with the matron and frankly tell her what you want it for. If it is a worthy request, she will undoubtedly grant it, and you probably have money enough for your needs on deposit with the school authorities there. If not we will be glad to send you more when the request is approved by the supervisor in charge.

Mr. S. A. M. Young,
Superintendent, The Winnebago Agency,
Winnebago, Nebr.

Dear Mr. Young:

After my letter of February the 25th had gone forward to you Ethel Greenhair came to me stating that she had become anxious about her grandmother's condition and because of the grandfather's frequent absence from home would like to go home sooner than was specified in my letter.

Believing that the girl should be favored because of her desire to be of assistance at home I have consented to let her go. At her request arrangements are being completed to have her leave here tomorrow evening and a ticket good for her passage to Winnebago will be procured for her use.

In view of the fact that Ethel's period of enrolment has not terminated and there is really no reason why the government should be charged with her transportation it has been agreed by her to pay for the ticket from her own funds. She has more than \$300.00 to her credit here on which she will draw.
