Mr. Theodore Sharp,
Superintendent, Fort Lapwai School,
Lapwai, Idaho.

My dear Sir:

Edward Real, one of the students enrolled here from your jurisdiction, has just about recovered from a stubborn case of venereal trouble, and, by direction of the Commissioner of Indian Affairs, arrangements have been completed for him to leave here this evening for his uncle's home at Spalding.

Edward claims that he has funds to his credit at the Colville Agency, and just as soon as it can be determined what amount will be required to pay for his transportation and the cash that has been advanced him to pay for his incidental traveling expenses I will refer the entire charge to Superintendent Johnson of the Colville Agency. Edward states that he will be willing to pay the entire amount.

Trusting that Edward can be persuaded to go to work when he arrives at home and that I may have your usual cooperation as may be required later in this case, I remain,

Very truly yours,

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colo.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Your letter of september 22nd has just been received in which you refer to yours of July 28th asking for a payment of \$70.30 on account of Edward Paul to pay his travelling expenses home.

In reply, I have to advise that the clerk in charge of this work was away for some time, and there was a delay in requesting authority to pay this expense. I have written to the Indian office for authority, and should have it in a short time. I am sorry this matter could not have been closed up in the first quarter as you desired.

Very respectfully,

Superintendent and S.D.A.

Mr. Meyer: I cannot recommend the return of ~~Edward Jones~~ ^{Paul} Edward Jones. In my opinion the factors which led to his discharge should also be operative in preventing his return.

Mr. Edward Paul,

Box 73, Spalding, Idaho.

My dear Edward:

Replying to your letter of October the 29th, this is to state that you cannot be given permission to return to Carlisle. You were sent to your home because you were morally undesirable rather than physically, and your re-enrolment at Carlisle would result in as pernicious an influence as would have your retention here in the first place. Other students diseased as you were are being weeded out just as rapidly as cases are being affected.

Trusting that you will settle down to some earnest work, I remain,

Your friend,

HCH.

Supervisor in Charge.

Mr. O. H. Lipps,
Carlisle, Pa.,

Dear sir:—

It will be a relief to know from you if I can again be admitted at Carlisle to finish my term of four years which I have but two more years to the time my term expires.

I have been recommended by Dr. Hobel to Mr. Theodore Sharp as free from any disease on which I was returned last summer from Carlisle.

I have come to several members of this tribe of boys and girls on the matter of going to Carlisle, they claim their parents oppose to going away, so far from home;

2

and that they had no purpose why they should go, and on that reason I put it off of asking any other in person, because as I stated in the beginning on account of their parents permission, they can not go.

I am very much interested in the music at Carlisle which will be a help to me as it has given me a fair chance of making acquaintance among a few, among the members of the orchestra in Lewiston, Idaho.

I had the pleasure of exhibiting my skill with a flute during the week of a notable event, the Lewiston-Clarkston Fair.

I will be very glad to know that you will have me enroll.

on my own transportation, and thereafter I am going to try every way to improve my self, and that its an honor to receive a letter from you as to whether I am fit to enroll.

Very Respectfully, I am,

Edward Paul.

Proprietor, The Capitol Hotel,

Dear Sir:

Bruce Groesbeck, the bearer of this communication, is a representative of this school. I am sending him to bring back to school here the Edward Paul who has been staying at your hotel for some time past. I would thank you to turn Paul over to the young man I am sending and I will then get into touch with Mr. Theodore Sharp, the Agency Superintendent who has jurisdiction over him and his funds with a view of securing the necessary amount to pay for the expenses that have been incurred at your hotel.

Thanking you for your co-operation, I remain,
Very truly yours,

HCM.
