## INDORSEMENTS.

---

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

*Provided*, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Mr. Joseph Mixmong,  
Cross Village, Michigan.

My dear Sir:

I thank you for the information contained in your letter of September the 27th relative to the Clifford Sitting who came to your home with your grandson.

Regarding your request that the latter be given permission to remain at home with you, this is to state that I shall not object to such an arrangement because the very fact that he deserted indicates that he does not want to get an education and boys of that kind are not wanted at Carlisle. It is deplorable, however, that he did not stick to his school work.

Very truly yours,

I brout him up since he was a baby & Mary Wilmet, if you don't believe it ask Mary Wilmet she's my grand daughter. I'm getting to old to work, but its up to you, if you want him back or not.

Mr. Peter Sittig,

My dear Sir:

Referring further to my letter of September the 7th, this is to advise you that I have just received a letter from the Ira Charles I mentioned therein. I submit below for your information a copy of it:

"Will now take the pleasure of answering your letter. Peter Sittig wrote to me saying that I should Clifford Sittig until he has wrote to you. Clifford has been staying with me for nearly a month. I was working out want he gone for his home. I know Clifford Sittig didn't have any money to go home.

I think Clifford is in Canada. My mother claims that Peter Nanagoose went along with him. Peter Nanagoose he deserted for his country home sometime ago. I don't really know him. My mother says that Peter Nanagoose was about some time after they met and made arrangements to go home.

I think this is all I know about Clifford. I probly he back at school later. I begged Clifford to return school he said he wouldn't. Sorry I could use ink because I'm in a hurry. So much for that."

This is also to advise you that a letter was received yesterday from Cross Village, Michigan, in which it was claimed that the Peter Nanagus referred to had reached his grandfather's home at that place. The grandfather's name seems to be Joseph Mixong.

-2- Mr. Peter Sitting, White Earth, Minnesota.

I am writing to Mr. Mixong to find out from his grandson what became of your brother and it is hoped that something definite can be learned soon regarding him. In the meanwhile, let me know what further information has come to you regarding Clifford.

My dear Mr. Dickens:

I thank you for your letter of October the 5th and for the offer of co-operation contained therein. While it would be the proper action to take to send Clifford Sitting right back to Carlisle I would not agree to the expenditure of Government funds for the purpose of providing transportation for him and I would not want him under any circumstances if he was returned against his will. The time has come at Carlisle when time will be given only to those students who want to profit by the opportunities they have here.

If Clifford is anxious to return to Carlisle and his transportation can be paid for by him or his parents I would be pleased to have you send him on at any time.

Dear Mr. Lipps:

I have your carbon of September 30th addressed to Mr. Peter Sitting; and I am surprised that Peter should send his brother, Clifford, money to come home on rather than notify you of his whereabouts.

Personally I believe that Clifford should be returned to Carlisle without ceremony upon his arrival here. It would seem from Mr. Mixmong's letter that Clifford was returned to White Earth. I am willing to assist you in any manner possible in this case. I have no patience with run-a-ways; and believe that if they are given the right kind of a reception at home that there would be less running away.

Kindly advise me.

Dear Friend:

I have received your letter of September the 21st and I thank you for the information you conveyed to me in regard to Clifford Sitting and Peter Managus. I must add, however, that I am disappointed in you because you did not notify me direct as soon as you knew that the boys mentioned by you were deserters from Carlisle.

Your claim that you begged Clifford to return to Carlisle cannot be believed a valid one, for you wrote to Peter Sitting that his brother should not return to Carlisle and that you would send him on home as soon as you received the money. Evidently you did not make any effort at all to co-operate with me in caring for Clifford, and such action is certainly not at all to your credit.
