Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

Dear Friend:-

I am glad to hear of another Carlisle boy enlisting in the service of his country. Many, many who were once students of Carlisle have answered the call. We have a long list of these men who have enlisted and one of these days we will publish it in the Arrow where each may find his comrade's name and address.

My best wishes go with you and Ross Marrown also.

Dear Sir:

Your letter of Oct.
26th was received. and it
was delayed at my home
town. You be surprise to
know that I am now
in the National Army.

I am here at this camp
training for a soldier.

I enlisted on the
4th day of October. and
I have been here a little
over month.

You dont know how

glad a fellow feels
he hears of his red.

I ~~was~~ was sure
glad to hear from you.

There may not be
every many students there
now that remembers me.

I was better known as
(Jack) at that school. I got
my name when I was
Captain of the J. D. foot ball
team in year of 1912.

Oh how I would like to
pay a visit to that school
once more.

I played on the Company
foot ball not long ago. But
they broke up. They did not
give me enough show on
it. Perhaps some of the
students may remember
Wm Ross Morrow. he
is here with me. also

other members of
Tribe at here.

We are all trying hard
to make soldiers of yourself.
We are located in one of
the largest cities in Texas,
near San Antonio. Six
miles East of it. But the
outskirts runs into our
Camp. Texas is not no
State like Oklahoma. we
haven't had any cold day
yet. This Camp is supposed
to be one of the largest
camps in the South.

Tell all my friends at
that school, that I send
my best regards to all
whom I know.

I will now close
and I will be looking for

hoping to hear news

from Dear old Carlisle, the
school that gives me a
start in life.

— I must close.

INFORMATION REGARDING RETURNED STUDENTS

PART 2

REPORT BY NONRESERVATION SUPERINTENDENT ON RESERVATION SCHOOL TRIP

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Dear Sir:

Replying to your letter of the 14th instant relative to Jimmie She-ma-my, I have to inform you that I have had District Farmer Hickox interview John She-mamy, father of Jimmie and he reports as follows:

"I have just had a talk with John She-mamy and am sure he does not need Jimmie at home. He and Tom Worcester have only about 27 acres to farm between them and can easily do it. I am of the opinion that Jimmie has some money and John is after that more than Jimmie's presence and I told John that he did not need Jimmie home and that the best place for him was in school and as long as he could stay there."

I believe Mr. Hickox is right in his conclusions and that there is no good reason existing for the return of this pupil.

Mr. James Shemany.

Binger, Oklahoma.

My dear Friend:

I have received your card of recent date and have noted that you are thinking of returning to Carlisle if permission can be given you to re-enroll here. Noting in our records that your stay here was satisfactory in every way I shall not object to your returning here if Superintendent Stinchecum will recommend that such action be taken. He will be in a position to know what should be the best for you.

As you are now twenty-three years of age you would have to pay for your transportation to Carlisle from your own or your parents' funds, but if the Superintendent approves an application for your enrolment I should then not have any difficulty about securing from the Office at Washington the necessary authority to enroll you.

Very truly yours,

HKM.

Superintendent.
