INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Mr. John Ghost Dog,

My dear Friend:

I have received your letter of the 7th instant and am pleased to know that the condition of your health has improved. I trust similar favorable reports can be conveyed to me from time to time.

Regarding the return home of your son William, I must state that it would be preferable to have him stay at Carlisle during the summer months or to go to one of our outing homes. If you desire to have him at home you would be required to pay for his transportation from your own funds.

Assuring you that the best possible care is being given your son and that he is getting along very well, I remain,

Yours very truly,

HKM.

I have received your letter and was very glad to hear from you. I was very sick before that. But he said he wanted to look for education, he make him self for the best condition I am thinking that you must excuse him for vacation in summer time

2
We think about that
they ought to pay him
for that. That's all
for this time

Yours truly

John Ghost Dog.

Mr. John Ghost Dog,

My dear Sir:

It gives me pleasure to report to you that on Friday forenoon, April the 23rd, your son William saved the two year old boy of our School Printer, Mr. Arthur G. Brown, from drowning in the creek that flows by just outside the school grounds. When the little boy fell into the creek William ran to the rescue, plunged in and brought him out before any great harm had resulted.

We are proud of your son and I trust we can continue to send you favorable reports regarding him and the work he is doing here.

Very respectfully,

HKM.

Supervisor in Charge.

My dear Mr. Brennan:

Very respectfully,

Mr. John Ghost Dog,
Manderson, South Dakota.

My dear Sir:

Replying to your letter of recent date I must inform you that it would cost not less than \$65.00 to pay for your son Willie's transportation home and back again to Carlisle at the termination of the period of leave that could be arranged. That would not leave him any money at all for meals and other expenses on the way home.

Referring further to your letter I regret to state that I cannot arrange to send you a check for use to ship Willie's trunk here. In view of the fact that he did not bring a trunk when he came to Carlisle last October it may be possible to secure such a check at Rushville. Mr. Duncan will undoubtedly find out definitely what can be done if your request will be made known to him.

Very truly yours,

HKM.

Superintendent.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
