Mr. Sam F. Denomie,

Dear Sir,

I have your favor of the 22nd, enclosing money order for \$5.00 for your daughter. The same will be handed to her as desired. Thanking you for your kind wishes, I remain,

Your friend,

Mr. G. H. Lepps

Sir:-

Your letter was at hand the 30th day of April stating that I only paid \$1.80 on my glasses, as I am sure I send \$5.00 to Dr. Bendtaff.

I admit I didn't have any bank account, but my father had send me money for my glasses at the time.

I admit in getting

my glasses in January
but I broke the nose
piece, and one of the
glasses, and I had
just send them over
to the Haspafle.

I did not know I
was going to leave
untill the very after-
noon I send them over.

And if you cant
find them I'd like
to get the amount I
paid on them, or even
a little one half the
price I paid on them.

I remain Respectfully
Margret Denomie

Mrs Gordon.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Mr. Sam Denomie,

Ashland, Wisconsin.

My dear Sir:

I have been making inquiry about your daughter Margaret's record at this school last year and have learned that she did not put forth very much effort to make good use of her time. Her indifference and consequent failure to make much progress necessitated extra care and time which should have been given to all the girls and especially to those who were willing to be benefited. In view of the facts in the matter it has been decided that if Margaret cannot be made to see the importance of doing better work and will fully decide to return to Carlisle for the purpose of making progress, I would prefer not to have her sent back to school.

I bring the case to your attention because I am anxious to make Margaret see the importance of doing earnest work while she has an opportunity to go to school, and would be pleased to hear from you.

Very truly yours,

HKM.

Supervisor in Charge.

April 27th, 1916.

Miss Margaret Denomie,
Odanah, Wisconsin.

My dear Friend:

Upon receipt of your letter of the 21st instant inquiry was made about the pair of glasses you claim were not delivered to you before you left Carlisle.

Dr. Rendtorff reported that the glasses were ordered on January the 16th of 1914 with prescription blank No. 478. Mr. Miller, the school banker, reported that you did not have a bank account here but that an amount of \$1.80 was paid to the F. A. Hardy & Company New York office for the glasses that were ordered as noted above. Evidently you must have paid that amount in cash, and I fail to see how you would have paid for the glasses if you did not receive them. Our records show further that you did not leave Carlisle until May the 22nd of 1914 so that there must have been ample time to adjust the matter before you left here.

The glasses are not now at the Hospital and if you can give me any more information which would help in finding out just what became of them let me hear from you without delay.

-2- Miss Margaret Denomie.

I remain,

Very truly yours,

HKM.

Supervisor in Charge.
