Gentlemen:

The bearer of this note is Thomas Hawk Eagle, a full blood Sioux Indian, who has finished a three year course in the Carlisle Indian School, and at onxe time worked in your factory under the outing system for three months during summer vacation. His personal record is good and so far as I know his record at Carlisle is good.

I trust that you will give him work, and that he will be successful, and valuable to you.

He is accompanied by Solomon Iron Bird, another full blood Indian of this reservation.

Very respectfully,

Detroit, Michigan.

Dear Sir:

I have a telegram from Thomas Hawk Eagle who, while a pupil of this school, was at one time in your students course. He is in Detroit now, living at 86 LaBelle Avenue and wants me to recommend his return to the factory. He is no longer a pupil here so I have nothing to do in the case. Thomas was a good boy and I think did good work when with you before. I refer the case to you to do as you think best. He tells me that he has with him a young man from his home by the name of Solomon Iron Bird. I do not know anything about this young man.

I enclose herewith check for \$10 from William Hall's account to meet his current expenses.

Very truly yours,

D/B

Mr. Thomas Hawk eagle,
86 ~~La Belle Ave.~~,
Highland Park, Mich.

Dear Thomas:

I have your letter asking me to help you to get into the Ford factory. I would like to do this but it will not be possible for me to help you unless you are willing to enroll as a pupil again and then it will have to be left in the hands of the Ford authorities whether they would be willing to take you in again. I would suggest that you see Mr. Griswold of the Department of Education and ask him what he can do for you. I would be willing to have you take this letter and show it to him if you wish. I know you realize the mistake you made in not staying with the class with which you were sent up there. We all have to learn by such experience and if you are given a second chance you want to do your very best and give the school here and the Ford people no cause to regret having given you another chance. I will act in accordance with Mr. Griswold's recommendation in your case.

Very truly yours,

Dear Sir:

Referring to the case of Thomas Hawkeagle who has applied to you for reinstatement, I give you the following:

Thomas was one in the second bunch of thirteen Carlisle boys who were sent to your factory on the 30th of May, 1915. Most of these boys were placed at that time with the understanding that they could have their choice of either remaining with your Company or returning to the school the following September to take up their school work here and also to help with the football team. Thomas was one of the seven to do the latter. He returned to the school on the first of September 1915 and remained until the 21st of October, when he went to his home in South Dakota, his time at the school having expired. As far as I know he made a good record while with you and he was always a good fellow here. He was honorably discharged from the school. Knowing these facts you can do whatever you deem best in his case. Very truly yours,

D:R

ALL STATEMENTS OR AGREEMENTS CONTAINED IN THIS LETTER ARE CONTINGENT ON STRIKES, ACCIDENTS, FIRES, OR ANY OTHER CAUSES BEYOND OUR CONTROL AND ALL CONTRACTS ARE SUBJECT TO APPROVAL BY THE SIGNATURE OF A DULY AUTHORIZED EXECUTIVE OFFICER OF THIS COMPANY. CLERICAL ERRORS SUBJECT TO CORRECTION.

Mr. Thomas Hawkeagle has referred to me, your letter of March 5th, in connection with his reinstatement here.

Our records show that he worked here about three or four months and quit giving as his reason that he was returning to school. From your letter it would appear that such was not the case. We would be glad to have you advise us whether he did return to school.

We will be willing to take his case up with the Employment Department and have an effort made to re-hire him and place him on the Student's Course providing you wish to recommend him and that he gave us the correct and real reason for his quitting.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Sir:-

I have a letter from Thomas Hawkeagle stating that he had received an offer to work in the Ford automobile shops in Detroit and asking for money to pay his expenses. You are advised that he has \$50 to his credit here and under the regulations, he being a minor and in regular attendance at a non-reservation school, I can pay him not to exceed \$25 in any one month and in accordance therewith I am enclosing individual Indian check No. 731 on his account in the First National Bank of Gettysburg, S. D., for \$25. I can pay him the balance during some other month. This is the best that I can do since, to secure advance authority to make the payment of his entire balance, would not enable me to make the payment before May 29th, the date specified in his request.

Thomas Hawkeagle:-

In regard to your verbal request of yesterday for permission to drop your academic work now and work all day ~~on the farm~~ at your trade, I will say that I do not think this arrangement would be to your advantage. There remain only two more weeks of school. During those two weeks, the final examinations will come on. And your teacher tells me that you ought to remain with your class and take the final tests, thus finishing the year's work in full. If you were to drop your academic work now, there would ^{be} a considerable question about your promotion. If you continue your academic work for the next two weeks, you seem to stand a good chance of being promoted next month to Grade Seven.

In view of the foregoing, I think it best not to grant your request.

Respectfully,
