May the 2nd, 1914.

Mr. Jos. G. Hart,
Superintendent, The Oneida Agency,
Oneida, Wis.

My dear Sir:

Referring further to my letter of recent date in regard to the return home at this time of Martha Cornelius, this is to state that she will leave here tomorrow with Mrs. Brown and that she should arrive in Chicago in time to take the train that arrives at De Pere, Wisconsin, at 9.00 o'clock on Monday evening. If her train from the east is late she could not make connections except on the train due at De Pere about midnight on Monday evening.

Transportation to De Pere has been provided for the girl and it is hoped her parents can meet her there at the time specified.

Very respectfully,

HKM.

Supervisor in Charge.

March 13, 1912.

My dear daughter,

We received your letter and in reply to your question as to whether you can go out in the country to work with the first party, you have a chief as you understand and you may ask her the question and if she thinks its alright then she will consent to your going. But you must remember I dont want to have to fight next fall about getting you girls back to school this time you must all see to it that it doesnt happen again.

Your mother is feeling

better now than she did
the last time we wrote you.
We are now at last having
spring weather but it looks
like we may have some more
snow.

This will be all I am
enclosing three stamps in
your letter with love
from your father

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.
