April 4th, 1914.

Mr. William F. Springer,
Walthill, Nebraska.

My dear Sir:

Replying to your favor of March the 31st,
I have to advise that although our Commencement exer-
cises were held this week the students whose periods of
enrolment terminate this year are not entitled to return
to their homes until after the close of the school year
in June.

Therefore, if it is necessary for your daughter
Evelyn to return home before that time to attend to busi-
ness matters the usual recommendation and approval would
have to be secured from your Superintendent.

Hoping, however, that whatever interests require
her attention can safely be considered when she returns
home in June, I remain,

Very truly yours,

HCH.

Supervisor in Charge.

I have two daughters, Evelyn and Alice, at your school whose term of enrollment has expired, or will have expired as soon as the commencement exercises are over, and I therefore ask that they be sent home at once, or at least as soon as the commencement exercises are over. Evelyn is now of age and there is some business interests of hers here which need her immediate attention and this is the reason that she is wanted her at once.

Respectfully,
