The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Mr. Juanito Siscero,
Laguna, New Mexico.

My dear Sir:

This is to advise that Mary Yasteya's period of enrolment at this school has terminated and that he will leave here for your home on Monday morning of next week. Transportation for his passage to Laguna will be provided for his use, but he is planning to stop off enroute for a visit if he can so arrange it.

Mark has had splendid training as a carpenter and has provided himself with a complete outfit of tools. He should not have any difficulty at all about securing work at his trade and I trust there will not be anything to interfere with his going so.

Very truly yours,

HKM.

Supervisor in Charge.

Mr. Mark L. Yasteya,

Laguna, New Mexico.

My dear Friend:

Replying to the letter you addressed to Mr. Meyer at this school on July the 12th, this is to advise that your cousins can be received here if the applications for their enrolment are properly filled out and there is noted thereon the approval of Superintendent Lonergan of the Pueblo Day Schools, whose office is in Albuquerque. I enclose herewith blanks upon which the applications may be submitted to the Superintendent for approval. I will also suggest that you write to Mr. Lonergan regarding the matter so that he can then advise you what he desires to have you do about the applications.

I am pleased to know you have had an opportunity to make use of the training you received as a carpenter, and I do hope you will find other work to do from time to time.

It must be encouraging to have plenty of rain in the vicinity of your home and I trust the investment of your money in cattle will prove to be a paying proposition. The check for the money yet to your credit here is being enclosed herewith as you requested.

-2- Mr. Mark L. Yasteya, Laguna, N. H.

Hoping that you will let me hear from you from time to time and that you will be successful in your efforts to make an independent living and to be a good example in your community, I remain,

Your friend,

HCM.
