INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

My dear Sir:

Referring further to the recent dismissal from this school of George Roberts, Frank Youngeagle and Charles Wilson, I submit below for your information a copy of a self-explanatory letter that was addressed to me from the Office at Washington on the 9th instant:

"The Office has received your letter of December 24, 1914, transmitting copies of letters with reference to the dismissal of incorrigible pupils at your school belonging to Kiowa and Pawnee Agencies, respectively.

In view of the circumstances your summary action in expelling these boys is hereby approved. The Superintendents of the Kiowa and Pawnee reservations should be so notified in accordance with section 108 of Rules for the Indian Schools Service."

Very respectfully,

HKM.

Supervisor in Charge.

Mr. Ralph P. Stanion,
Superintendent, The Pawnee Agency,
Pawnee, Okla.

My dear Sir:

Your letter of October the 10th, relative to the operation that was mentioned by George Roberts in his letter to you on September the 23rd, was referred to our School Physician with a request that a prompt report be made. This morning a statement as follows was handed to me by our Physician:

"I want to say that George Roberts is in need of no operation outside of a good thrashing. He told me that his letter was inspired only by his desire to obtain money."

George's letter is being returned to you herewith.

Very respectfully,

Dear Mr. Stanion:

A few lines in regard to making application for my trust funds, as I told you before I left there. I feel that it is very necessary that I should be operated at any time the money can be obtained.

We all arrived here in safety and are getting along very nicely.

I close hoping that you will pull this matter through as soon as it is convenient.

I am

Yours respectfully,

O. H. Lipps,
Supervisor in Charge,
Carlisle, Pa.

Dear Sir:

I am enclosing herewith a letter from George Roberts, a Pawnee Indian boy now attending the school under your charge. George has stated that an operation is very necessary, but failed to state for what malady the operation was needed. His share of the trust funds can be secured only through his physical incompetency caused by disease or accident, and in either case it will be necessary to furnish evidence to establish this condition. If, after a careful examination, you feel that this money is needed for the boys care or treatment, and you will furnish a phisician's certificate as to his physical condition, with your recommendation, I will recommend that his application be approved, the funds to be deposited to his credit and supervised as individual Indian money.

Very respectfully,

Ralph R. Slawson
Supt. & S. D. A.

My dear Sir:

Replying to your Mr. Daniels' letter of August the 28th, advising that George Roberts had agreed to all the points suggested in my former letter, this is to state that George has arrived here and has made a request to be reimbursed for the amount he expended in paying for his transportation to Carlisle.

In order that the matter can be adjusted without delay it is necessary for me to have the railroad company's receipt for the amount that was paid for the ticket and I would thank you to secure the same for the use of this office.

George is evidently anxious to receive the money as soon as possible.

Very truly yours,

HMM.

Dear Sir:

Referring to the matter of enrolling George Roberts at your school, I beg to advise that Roberts left for Carlisle yesterday. In order that he might go in company with other boys from this tribe, he paid his own transportation, which I presume you will be in a position to return to him upon his arrival there. I requested George to mention this matter to you himself.

Jan. 6th, 1915.

Mr. Ralph F. Stanion,
Superintendent, The Pawnee Agency,
Pawnee, Okla.

My dear Sir:

Amounts of \$33.98 each have been charged to the account of this school for the transportation that was furnished on December the 24th to George Roberts, Frank Youngeagle and Charles Wilson. It has also been learned that George Roberts was reimbursed for an amount of \$33.42 he had expended to pay for his transportation to Carlisle and that amounts of \$32.40 each were expended to pay for Frank Youngeagle and Charles Wilson's transportation from Pawnee to Carlisle.

The amount of the check that is yet being held here for George Roberts is \$34.61, but the \$2.00 in cash that was advanced him should be charged to that amount. It is desired, therefore, that you have sent to me \$34.79 which may be used with the check referred to above to pay for the cost of the transportation home now due and unpaid and with which to reimburse the government for the expenditure that was incurred to bring him to Carlisle.

-2- Mr. Ralph P. Stanion, Superintendent.

Frank Youngeagle has to his credit here \$56.00, so that an amount of \$10.58 will be sufficient to cover the balance that will be required to reimburse the government for the cost of his transportation from Pawnee to Carlisle when his transportation home has been paid for.

Charles Wilson has \$8.00 to his credit and a total of \$58.38 will be required to pay for his transportation home and to arrange for the reimbursement that seems only fair in the case of all these young men.

Hoping that your usual co-operation can be extended in this matter and that I will hear from you soon, I am,

Very respectfully,

HKM.

Supervisor in Charge.

Gentlemen:

Replying to your favor of December the 28th relative to the check it is claimed by George Roberts I am to mail to you to pay for purchases he made at your store, this is to advise that when the check was sent here by Superintendent Stanion no such instructions were issued.

In this connection I must advise that Roberts has recently been suspended from this school on account of his general misconduct and unworthiness and that more than the amount of the check in question had to be expended to get him away from school. The check is being held here to pay such transportation bills but the entire matter has already been referred to Superintendent Stanion and I hope to hear soon what disposition is to be made of the same.

Very respectfully,
