INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Edward Shooter,

Grand Valley, South Dakota.

My dear Sir:

Referring to your letter of March the 1st, I have to advise that your son Barney's period of enrolment does not terminate at the close of this school year, so if you need him at home during the vacation months your request for his services should be submitted to me thru the office of your Superintendent.

I will also call attention to the fact that when students are called home before the termination of their period of enrolment an amount sufficient to cover transportation home and back again to Carlisle will have to be placed on deposit here. Then when the period of leave is over a ticket for the return to school will be made available from this end.

Very truly yours,

Mr. Leo Shooter,

Grand Valley, South Dakota.

My dear Sir:

This is to report to you that arrangements have been made for your brother Barney to leave here tomorrow evening for your home. Transportation for his passage to Morrissetown will be procured for his use and he should arrive there about midnight on Saturday night of this week. If he cannot make the connections scheduled he will probably arrive at Morrissetown about Sunday noon, the 20th.

In this connection I will add that Barney has had considerable trouble during the summer with swollen glands of the neck and that his return home is being affected so that he can make an effort to regain his strength by spending more of his time in the open air.

Hoping that I will hear from you when Barney has arrived at your home, I am,

Very truly yours,

HKM.

Supervisor in Charge.

O. H. Lipps,  
Supervisor in Charge,  
Carlisle Indian School.

Dear Mr. Lipps,

Barney Shooter, a member of the Standing Rock Sioux tribe and a pupil of your School, has made application for his Sioux Benefits. He has three options, all cash, all heifers, or what is termed "regular" that is a team of brood mares, a couple of milk cows with calves, harness, wagon, &c. He has chosen the first. I would appreciate it very much if you would give me your opinion as to the wisdom of his choice. Also kindly advise me on what he based his decision.

Most respectfully,

  
Supervisor in Charge.

August 20th, 1914.

Mr. Albert H. Kneale,  
Supvr. in Charge, Standing Rock Agcy.,  
Fort Yates, N. D.

Dear Mr. Kneale:

When the request contained in your letter of Aug. the 6th was brought to the attention of Barney Shooter he declared that he selected "all cash" for his Sioux benefits because he does not want to do the work necessary to care for any stock that would have been issued to him if he had selected one of the other kinds of benefits.

Barney has a very poor command of English and it is to be doubted whether he has the training and ability required to receive any real benefit from what would be given to him other than cash. For the reasons given it is my opinion that for Barney it will be to his advantage to receive "all cash" for his benefits.

In this connection I beg leave to report that he has had trouble for some time with supurating tubercular glands and it has been recommended by our School Physician that he be given permission to return home. Believing that Barney

himself should pay for the expense of such a trip I would thank you to advise me whether he has any funds to his credit that could be used for such a purpose. He has about \$30.00 to his credit in our school bank that could be used as part payment of his transportation expenses.

Assuring you that your usual prompt co-operation in this matter will be appreciated, I remain,

Very respectfully,

H.M.

Supervisor in Charge.
