The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Mr. John R. Howard,
Superintendent, White Earth Agency,
White Earth, Minn.

My dear Sir:

I thank you for your favor of July the 14th, advising that Edward Oliver, who deserted from this school on June the 15th, has arrived at his grandmother's home. In reply to your letter this is to state that if in your opinion Edward should be given another chance at Carlisle and he can arrange to pay for his transportation I will give him another trial.

Edward should understand that if he does not desire to make good use of his time he is not wanted.

Very truly yours,

Dear Sir:-

Edward Oliver, who deserted from the Carlisle School June 15th, arrived at Detroit a few days ago evidently having beaten his way, as he was picked up in the yard at Detroit with a broken collar bone which he states was broken by reason of his jumping from a moving train.

I understand the boy is with his grandmother, Mrs. Oliver, in White Earth. Kindly advise if any action is desired.

Very respectfully,

Superintendent.

Mr. Allen Oliver,

White Earth, Minnesota.

My dear Sir:

I have noted in your letter of September the 15th that you are anxious to have your son Edward return to Carlisle to resume his studies, but for the reason that he deserted twice during the short time he was enrolled here I would prefer not to have him return. However, if he has fully made up his mind that he will settle down to earnest work another trial will be given him.

Edward will have to understand that earnest work will be required of him as well as all other boys and that indifference will not be tolerated under any circumstances. If he cannot measure up to the standard that has been set he would have to be returned to his home at his or your own expense during the school year.

The agent at your local station can tell you exactly what amount would be required to pay for his transportation.

Very truly yours,

HOL.
