INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr Oscar H Lippas,
Supt, Carlisle
Indian School

Dear sir,

I was glad
when I seen my grand-
son, Peter Nenagos and
at the same time I didn't
like it, that he run away
from the country. He said
he didn't find any fault
in Carlisle School, only
the farmer he was workin

for in Morrisville Mr. Jno. C Charter treat him like a slave, work from 12 to 15 hours a day, and he said he was hungry all the while he was working. Just like in prison when they punished the bad and he said he lost 21 lbs. in about a month or half, on the farm.

I want him to support me I'm getting to old to work. I'm seventy-five years old and not feeling well. We're not rich if we don't work well starved

III.

We're not like the other
Indians, don't get no
money from the Gov.

We have to work to earn
our living.

He said, he got some
money in the school
about thirty-two dollars.

If you be so kind and
send it to me I need it
very bad.

I didn't know that
he was going to school
last fall, he send him
self over there, I was
glad he did that.

Please excuse my writing

and mistakes.

Well I must ring off
and hope to hear from
you soon. Wishing you
God's blessing and to the
whole school.

Yours truly
