This form is for the record of the physical condition of pupils of boarding or nonreservation Indian schools. It should be filled in by the school physician at the time of the admission of the pupil.

Physicians in the field should use this form to record the examination of pupils for transfer to nonreservation schools. It should accompany the pupils' transfer blanks.

The reverse side is intended as a card-index case-record for use by all Service physicians.

Mr. Henry R. Mudgett.

Beaulieu, Minn.

Dear Friend:

Replying to your letter of the 1st inst. relative to entering the Ford factory I have to say that I have had a number of applications before yours. I have written the younger applicants that if they wish to join our preparatory class here I would be willing to accept them as regular pupils provided their applications would be approved by their respective superintendents. I also tell these applicants that I cannot promise definitely that they will be allowed to join the next class which is made up some time next spring. They must come here and take up our regular work and take their chance. Those over 21 years of age will have to pay their own fare here, too.

If you are interested in doing this you can write me again and I will send you an application blank.

Very truly yours,

D/B

Should he receive assistance to find employment? _____

At what employment do you think he would do best? _____

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mr. L. G. Perry,
Principal, The U. S. Indian School,
Beaulieu, Minn.

My dear Mr. Perry:

I am pleased to know that other boys from the vicinity of your school have applied for transfer to Carlisle and that we may expect them soon. If anything further can be done from this end to assist you in arranging for their transfer I will be glad to have you make your requests by wire.

In this connection I will report that Henry Mudgett and George Merrill arrived here on October the 18th.

Thanking you for the information contained in your letter of October the 31st regarding the other former pupils you have interviewed about their return to Carlisle, and hoping that several of them will yet decide to return here to continue with their education, I remain,

Very truly,

HKM.

Superintendent.

UNITED STATES INDIAN SERVICE

M. Freidman,
Supt. U. S. Indian School,
Carlisle, Penna.,
My dear Mr. Freidman;

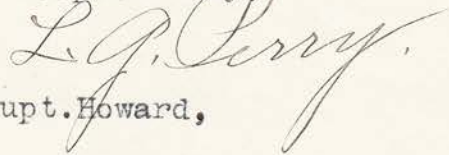

I am making out the application papers for the three Brisbois boys today. I wrote them to come to Beaulieu. They came today. I hope to get about 3 more boys to go with them, so kindly place transportation with Supt. Howard for at least six. However, I do not promise to send that many; only try to do so. I hope Henry Mudgett and Geroge Merrill arrived safely. I interviewed Magaret Bellanger. I doubt if she return to Carlisle at present. I am communicating with Delphine Beaulieu. Can not say as yet what her final decision will be.

The Degan's have all gone; some to Wahpeton and some to Pipestone.

Isaac Wilson returned home on schedule time. His grandmother made the report to me.

Will take up the matter of refund on that unused portion of ticket, soon.

Very respectfully,

Please wire transportation to Supt. Howard,

Mr. Henry R. Mudgett,
West De Pere, Wisconsin.

My dear Friend:

Referring to the letter you addressed to Mr. Meyer at this school, this is to advise that although your physical record was entirely satisfactory during the time you were enrolled at this school I doubt whether a statement to that effect would be of any benefit to you now in connection with the securing of a license for your marriage. In order that there can be no question about a certificate regarding your health I would suggest that you be examined by a physician at your present home.

Dr. Bendtorff has gone away for his vacation and so the information we have here regarding your health can not well be secured for you.

Very truly yours,

HKM.

Supervisor in Charge.

H. F. Myers,
Indian School,
Carlisle, Pa.

Dear Mr. Myers,

I am writing to you in
behalf of my future, and because
you know me personally and that
I could write to no one better than
you, since the change at the school,
and I know you are in a place
to help me; as an ex-student, you
cannot refuse to help me.

What I want is a certificate
as to my health, and physical
condition, I think my record there
at the school & since Dr. Stamp
has been there I could get no
better recommendations as to my health.

II and I want to carry this ^{certificate} in order to procure ~~and~~ get a marriage license under the state laws. I think now that I have stated my case plain enough so you can understand and I know that Dr. Reuterff will assist, since he also knows me personally, as I worked a while there at the Hospital for him, & through you I am asking him to recommend me to the certificate, etc. I want to carry one and must carry one, in order to get my license, under these laws of the state of Wis. Hoping you will attend to this, and give me necessary advice, if need be any.

Wishing the school all success, and ~~hoping~~ a speedy and favorable reply from you.

I will always remain

III a honorable Charles student.
