INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Edward Leo,
Petoskey, Michigan.

My dear Friend:

I have received your letter of March the 30th and am pleased to know that the ARROW is bringing you so much satisfaction and pleasure. It is gratifying to know that you are interested in the news it brings to you from our several departments and the work that is being done here.

In reply to your inquiry relative to the Commercial Department, I must advise you that the department was closed on September the 30th of last year and that since then instruction in business practices in so far as simple accounting is concerned has been given in connection with the study of arithmetic.

I am glad to know you have already completed plans for your summer's work and I assure you that you have my best wishes for success.

Very truly yours,

Supervisor in Charge.

ignorance regarding the Commercial Dept. of the Carlisle School; being a graduate from that branch of instruction. I feel that I have more interest to know a little of it. Not once since leaving school have I heard from it:

Would you be so kind as to inform me regarding the probability of illuminating that Dept. (which I hope is not the case) or whether if it is still retained and why it is that the "Arrow" has failed to recognize

Mr. O. H. Lipps, Supt.,
Carlisle Indian School,
Carlisle, Penna.

Dear Sir:—

I am very thankful for the kindness of the school in remitting to me a copy of the "Arrow" each week, I thoroughly enjoy reading it, and furthermore I am anxiously looking forward to the date it usually arrives.

But there is one thing which has slightly disappointed me, and that is—(sorry to say it,) of its

I again take the liberty of expressing my thanks to the school for its kindness.

I have learned quite a good deal during my short stay there, not Books, but "character;" I have learned myself as I can when left to my judgment and am now working ^{hard} & put in practice the knowledge I obtained at Carlisle.

I am getting on very nicely; that is in health, not working at present, the

business I'm interested in, doesn't open till Navigation opens: and am sure that will be very soon.

I extend my best regards to all the ~~the~~ Students: I presume very likely most of them do not know me. — and you, may the Good Lord grant you a hundred years of life so that you may serve and elevate our people the way you have.

Respectfully yours.

Mr. H. Lipps, Supervisor,
Carlisle Indian School,
Carlisle, Pa.

Dear Sir:

I am in a very bad situation here, have completely failed to find work. I did everything in my power, in order to secure a position; have enrolled in the "Employment Bureau Agencies," also put an "ad." in the daily paper, here, but I haven't heard a thing. I have been told that it is too early in the season, and so many are looking for work, so now I don't know what to do; I haven't any means to get out.

Would it be possibly for you to help me out? Telegraph a ticket for my transportation back to school, and I'll ask Mr. Dickie to find me a position and I'll go out with the second party

of boys, and pay back the transportation
(It's \$4.48). (will be so kind as to)

I hope you extend this aid to me
as soon as possible, for I haven't a
copper cent to my name.

Yours very respectfully,
Edward Leo.

My dear Friend:

This is to advise that your letter of September the 7th was received here this morning and that a copy of it has been forwarded to Gus. Welch at the Conway Hall in Carlisle.

As he is no longer a student at this school I would not be justified in forwarding to you the amount due from him. Such an amount would have to be advanced by me personally.

Regretting that your plans may have to be cancelled because of your failure to collect what is due you, I am,

Mr. A. Lippo

Dear Sir:

Kindly intercede for me, in getting that sum (\$100) from Gus Walsh. I've got to have it before the 10th as I planned on leaving on that date via New York to Buffalo then on Boat to home, and it is absolutely necessary that I have that money to defray my expenses if he hasn't got the amt at present, would you be so kind to put up the sum, then get it off from him in the course of time.

I am lost what to do, and if I could only get that money back I'll be O.K.

I never suspected that I'd have such difficulty in getting the money back or I should have never loaned it to him; it is not my custom.

I shall be more than gratified if you will help me out on this affair!

I've written him twice but have not heard a word in reply. I am

yours very truly
