SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a non-reservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Dear Madam:

Upon receipt of your letter of January the 31st I made special inquiry about your son Milford. I learned that he has not made as good a record as can be expected of him because he has not been willing to make the best use of his time in the performance of his duties at the quarters where he rooms and in the work that has been assigned him from time to time.

From the Academic Department the following report was sent to me:

"Letter has just been forwarded containing report for January.

His grades will show that he could not possibly do higher work. He is weak in Arith. Still he is progressing nicely and is also taking lessons on the violin.

His teacher speaks well of him."

Hoping that Milford can soon be made to see the value of applying himself more diligently in all that is

Dear Sir:

I have been a little worried about my boy - Wilford Henderson. I have not heard from him for nearly a month. I thought perhaps he might be ill. Will you kindly let me know how he is progressing in his studies and if he is well. He graduated from the eighth grade

and had entered High School in Salt Lake City but he says he is in the seventh grade at Carlisle. Kindly let me know what you think of his studies and if you think he will be benefited by staying at Carlisle.

Trusting that I shall hear from you soon.

Respectfully Yours.
Alice Henderson.

My dear Madam:

I have just received a letter from the Commissioner of Indian Affairs in regard to the release from this school of your son Milford, so in reply to your letter of recent date I will advise that your wishes will be carried out just as soon as you send the amount that will be required to pay for his transportation.

If you expect to meet Milford in Chicago an amount of \$20.00 will be sufficient to cover the cost of transportation and will leave him a small balance to pay for incidental expenses enroute.

Awaiting your further pleasure in this matter, I am,

Very truly yours,

HKM.

Dear Sir,

My boy Milford Henderson was enrolled at Carlisle Indian School in November. When they accepted him at the school I expected to remain in Gresham a couple of years and as there were no suitable school here to send him they accepted ^{him} there with the understanding that should I remove to a place where I could send him to a Public School his enrollment would be discontinued at Carlisle. I find I shall be able to return to the City this summer and I should like to send for Milford about June 1st. I will meet him in Chicago. I have also written to Mr. Sells.

Respectfully

Dear Madam:

This is to acknowledge receipt of your favor of May the 1st, with which you transmitted a Money Order for an amount of \$20.00. Due credit has been given your son Milford for the amount and the same will be used to procure transportation to Chicago for his use as is desired by you.

Our school year closes on May the 29th, and the boys who are entitled to return home this year will probably leave on June the 4th or 10th. However, if it is necessary for Milford to be in Chicago before that time it can be arranged to send him at any time you suggest.

You will then be notified at least four days before he leaves here for Chicago.

Very truly yours,

HKM.
