Mr. David George,

R. F. D. 5, Syracuse, N. Y.

My dear Friend:

I take pleasure in transmitting herewith a letter from the Commissioner of Indian Affairs awarding you one of the third prizes that were given to students at this school in connection with the essay writing contest that was conducted thruout the Indian School Service the past year. I also enclose the emblem that represents the prize.

Let me congratulate you, hoping that you were greatly benefitted by the lessons you learned while you were gathering material for your essay and that you were all the better prepared to take your place in the community where you will eventually become settled.

Very truly yours,

My dear Friend:

I have noted the contents of your letter of the 18th of August, and in reply thereto will state that I should like to see you return to Carlisle for the additional year during which your period of enrolment extends. I find, however, that you do not have a deposit to your credit here with which your transportation can be provided for you, so you would have to pay for your return to school from your personal funds.

If you cannot arrange to continue with your education by attending a school nearer your home you should return to Carlisle in time to begin your studies here on September the 1st. You know exactly what you can get at Carlisle and I assure you that every possible help will be given you to benefit by the one more year in school.

Hoping that I shall hear soon when to expect you, I remain,

Your friend,

Dear Friend:

As I was thinking of the
school days spent at Carlisle
it came into my mind that I
would like to return to Carlisle
this fall.

At first I thought I wouldn't
return but, I considered the matter
and I thought it would be
better for me if I should go
back to Carlisle.

I would like to hear
from you and tell me what

would be the best thing
for me to do.

I'm hoping to hear from
you soon.

My dear David:

I have noted what you state in your letter of May the 13th, but because you were given permission to go to your home with the understanding that you would return to Carlisle in September it will not be advisable to turn over to you the money you now have to your credit in our Bank until it has been determined definitely that you will find it to be to your advantage to continue elsewhere with your studies.

Let me suggest, therefore, that when you go to the business school you have mentioned in your letter the bill for tuition be sent here. A check will then be drawn on your account here and you will not be deprived of the use of your money.

Mr. Miller advises that you have to your credit an amount of \$23.52.

Very truly yours,

Dear Friend:

I thought I would write and ask you to send me the balance of my money which I have at the school.

I don't think I will be able to return to school this fall and as I am going to go to a business school this week and I am to receive a position when I finish my course.

Well I must close and hope to receive the money soon.
