Mr. Michael Gomez,
Finley, California.

Dear Sir:

I am enclosing herewith a check for the amount of \$1.27, which is to balance your account on the books of this school. As this amount is somewhat small, the bank will probably want to charge you a small amount for its collection. I would advise you to sign and endorse the check and return it to me and I shall be glad to mail you either money or postage covering same.

I am also enclosing a franked envelope for reply, which requires no postage, and will thank you to give this matter your early attention.

Yours very truly,

Commissioner of Indian Affairs,
Washington, D.C.

Sir:

Michael Gomez, a former pupil of this school who is now 29 years of age, has asked for re-enrollment here so that he may prepare to enter one of the Ford factory classes.

Michael was a student from September 1910 to May 1914, during which time he made an excellent record. As far as I know he has made a good record since he left the school in 1914.

He is a full blood Indian of the Pomo tribe from California and judging from his record I think that he will be deserving of a chance to join one of our Ford classes.

As he is over age I write to know if you will allow me to enroll him as a student.

Very truly yours,

JF:R

Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. To Whom it May Concern:

This is to inform you that Micheal Gomez, a Pomo Indian from California, was a pupil of this school from October 1910 to May 1914.

During the time he was here, he worked at blacksmithing and did excellent work. In addition to the training he received in our school shop, he was given practical experience in blacksmithing in shops located in Jermyn, Pennsylvania and Harrisburg, Pennsylvania.

Since leaving Carlisle, he has worked considerably at his trade.

His record while a student here is excellent. He is sober, industrious, clean and conscientious in the performance of his duties. He visits this school frequently and always his appearance and manners indicate that he is living a life of industry and sobriety. I am glad to recommend this young Indian man to you.

Very truly yours

Trav. Aud. in Charge.
