Higgins Steamship Company,

San Francisco, California.

Gentlemen:

I thank you for your telegram of the 27th inst., advising that the Steamer "Seaford" leaves for Point Arena, California, each Wednesday and Saturday. I desired the information because one of the girls enrolled at this school is entitled to return to her home this year and transportation will have to be provided her for her passage from San Francisco to Point Arena.

The girl will arrive in San Francisco on the Santa Fe train due there at 5.30 o'clock on Tuesday evening, June the 10th, and I would thank you to arrange so that one of your officials can meet her there at that time and can arrange for her proper care until time for the departure of your Steamer for Point Arena the following day. It is also desired that a ticket be furnished the girl for her passage, and as the cost of the ticket is to be paid from Government funds your bill to cover will be given prompt attention if it is sent to this office.

-2- Higgins Steamship Company, San Francisco.

A copy of this letter will be sent on with the young lady, Eva Smith, and it would be appreciated if your further assistance could be given as is requested.

Mr. Meech of the Pacific Coast Steamship Company has had similar courtesies extended former students at this school and I take the liberty to refer you to him for such particulars as may be desired by you.

Very respectfully,

1. Travelers are advised as to the respectability of the employment they are seeking, and directed to safe sources of information.

2. **Women and Girls**, who, on arriving, fail to meet their **friends** and are therefore exposed to the greatest perils, are helped according to their needs.

3. **Uninformed and timid girls** making their way across the city to trains and boats, are personally conducted to their destinations.

4. **Foreigners** are directed in their own languages, interpreters being secured when the Secretary is unable to speak the language.
