Mr. O. H. Lipps,
Supervisor in Charge,
Carlisle, Pa.

My dear Mr. Lipps:

Referring to your letter of recent date, relative to the misconduct and return to this reservation of George Roberts, Frank Young Eagle and Charley Wilson, I have to state that if you will transfer at the earliest possible date what funds you have to the credit of such boys in your office I will make an effort to reimburse you for all expenses incidental to their return.

As to Frank Young Eagle. It was our intention, as shown by correspondence bearing thereon that at the time he went to Carlisle, he was to pay his own expenses and at such time we placed sufficient funds in your office covering his possible return under the conditions as have actually borne thereon.

I am exceedingly sorry that these young men could not have realised the opportunities that were offered them at Carlisle and regret very much that you and the other officers at Carlisle have been occasioned such uncalled for trouble on their accounts.

Very respectfully,

Mr. Ralph P. Stanion,
Superintendent, The Pawnee Agency,
Pawnee, Okla.

Dear Mr. Stanion:

Very respectfully,

Encs. Inadvertently it was stated in my letter of January the 6th that Frank Young Eagle should also be compelled to send an amount required to reimburse the government for what had to be expended to bring him to Carlisle. It has been learned, however, that this school was not charged with the cost of his transportation and so I return to you herewith a check in the amount of \$22.02 to cover the balance not required to pay for his transportation home.

Referring to your letter of January the 13th, I acknowledge receipt of the check for \$58.38 drawn on Charles Wilson's account. It has been noted that the amount represented is a transfer of funds and so it is necessary that Charles sign the check herewith before it can be transferred to the voluntary deposit account from which payment of his ticket home and the reimbursement previously referred to can be made. The amount of your check will be taken up in my individual students' accounts and the check I send for Charles's signature is drawn on his individual account as you will note.

In this connection I must ask again what action is to

Thanking you for the kind co-operation you have extended in this most unfortunate affair, I remain,

Replying to your letter of January 2, I have to state
Very respectfully,

Encls.

My dear Mr. Lingo:
Frank Young Eagle went to Carlisle he paid his own transportation there and a sufficient amount was deposited with your office for the express purpose of covering his return expenses in case that it would become necessary to return him on account of his misconduct. If your records confirm this, it would seem that a balance is due Frank Young Eagle from his account there.

As George Roberts has no funds to his credit in this office it is impossible to transfer any funds on his account. I might state incidentally that George enlisted in the United States Army at Oklahoma City yesterday.

I inclose herewith check drawn in the amount of \$300.38, the same being a transfer of that amount on account of Charles Wilson and which will enable you to reimburse your office from his account therein.

Very respectfully,

Dec. 24th, 1914.

Mr. Ralph P. Stanion, He is too intelligent a young man to
Superintendent, The Pawnee Agency,
Pawnee, Okla.

My dear Sir: the results of his actions will be.

I have to report to you that George Roberts, Frank
Youngeagle and Charles Wilson will leave here this evening
for Pawnee. Transportation will be provided for their use.

The three fellows were in a party of five who were
found in an intoxicated condition in our Large Boys' Quar-
ters on Monday evening of this week after it was found that
our School Warehouse had been broken into and a quantity of
lemon extract stolen therefrom. They admitted that they had
been drinking the extract but declared that they knew nothing
at all about the theft.

I had a talk with them at my office yesterday and
learned that Youngeagle and Wilson were continually in trouble
at the Phoenix School while enrolled there. The former's
record here has been unsatisfactory and the latter has spent
much time in the guardhouse on account of drunkenness.

Roberts has the appearance of being a much finer young
man than he has proven himself to be. As he is of a good
family and his brother has been very anxious to keep him in
inquiry would be made how the amount is to be used. He claims

school it is to be regretted that his dismissal from school has become imperative. He is too intelligent a young man to associate with fellows of Wilson's and Youngeagle's type and must know what the results of his actions will be.

Generally such cases are handled here at school, which affords an opportunity to give boys another trial, but I was informed this morning that these three Pawnee boys armed themselves yesterday after I had had my talk with them so that they were prepared to resist an attempt to compel them to do the extra tasks that were assigned them as the mildest form of punishment. They seem not to realize that my leniency alone has kept them out of the local jail with the charge of burglary hanging over them, and there is no other course to be pursued than to remove them from Carlisle and the influence their actions have had on the discipline of the school.

Just as soon as I am advised what the cost of their transportation is I will ask you to co-operate with me to secure the balances of amounts that may be necessary to pay the same. Youngeagle and Wilson have funds to their credit which may be applied to the cost of their transportation.

Roberts signed the check you transmitted with your favor of November the 13th only after he had been assured that inquiry would be made how the amount is to be used. He claims

-3- Mr. Ralph P. Stanion, Superintendent.

he owes the amount of \$34.61 to some one at his home and the check will be held pending receipt of advice from you.

In view of the fact that Wilson and Youngeagle had unsatisfactory records at Phoenix and their enrolment at Carlisle should not have been effected because of their previous records it is my opinion that any funds they now have or may have in the near future should be used to reimburse the government for the amount that had to be expended to bring them to Carlisle. I should like to hear from you in regard to the matter.

Regretting that such a report has to be conveyed to you and that the one member of the trio who seems to have possibilities can hardly be considered worthy of being given another chance anywhere else because he has already made failures at Haskell and at Carlisle, I am,

Very respectfully,

HKK.
