Mr. O. H. Lipps, Supervisor in Charge,
Carlisle Indian School,

Sir:

Mr. Hall, father of Mattie Hall, advises me that it imperative that Mattie be returned as soon as possible, owing to the condition of her mother. Mrs. Hall is not seriously ill but her feet give her a great deal of trouble and she is unable to do the housework. Mattie's oldest sister is at present employed in the Indian Service in Minnesota, and as Mattie is the second eldest the mother desires to have her home.

I believe that the girl is really needed at home and I would appreciate it if she be allowed to come as soon as arrangements can be made.

Very respectfully,

Superintendent.

This is to advise that your daughter Mattie has been returned to school here from her outing home and that arrangements are being made to have her leave here on Thursday of this week with the other girls who are entitled to leave on that date for their homes.

Transportation to Garrison will be provided for your daughter's use and she will be accompanied to that point by several other girls.

I would thank you to notify me when Mattie has arrived at your home.

My dear Sir:

This is to acknowledge receipt of your favor of May the 18th, with which you enclosed a Money Order for an amount of \$20.00 for Mattie Hall's use.

Referring to the request that Mattie be given permission to return home, this is to advise that she is one of the girls who was given permission to go to an Outing home for the summer months with the understanding that she could go to her home at the termination of her Outing period the latter part of August.

In view of the fact that such arrangements were made at Mattie's request it is only fair that you and her father should know the circumstances. However, if it is imperative that she be returned home in June an effort will be made to send some one to take her place at her present home. Since there may be some delay about completing all the arrange-

ments necessary to effect Mattie's return in June it is to be doubted whether she can be sent with the party that leaves here on June the 4th.

Let me hear from you again regarding this matter.

Supt. Carlisle Indian School,

Sir:

Enclosed find money order for \$20.00 payable to the order of Mattie Hall, daughter of Ed S. Hall, a resident of this resident of this reservation.

Mr. Hall stated that he wishes Mattie sent home this summer to help her mother ~~out~~ around the house, etc. Mrs. Hall has considerable work, with no help, and is under the Dr.'s care.

As I understand that there are several students from this reservation coming home about June 2, I would suggest that Miss Hall be allowed to return with them, especially as term expires shortly.

Mr. Hall desires that the \$20.00 be turned over entirely to Mattie in order that she may purchase necessary articles before she starts.

Very respectfully,

E. W. Hornack

Dear Friend:

Replying to your letter of October 17th, I have to advise that there is not now any room in the hospital for other girls, and I am sorry I am not able to encourage you to return to Carlisle at this time with the promise that you can devote all of your time to take the course of nursing at the hospital. The class in nursing was made up several weeks ago, and it would not be fair to those girls to give their places to others.

Hoping that you can yet arrange to continue your education, and that you will write me if I can give any further assistance to you, I remain,

Sincerely yours,

I have enjoyed my
