INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

A pleasant home, patron a good housekeeper, a kind pleasant mannered woman, (too lenient), says M. was transferred to her from Mrs Woodward of Mendenhall, Pa. She shows evidence of having been poorly trained, knows but little about work, very untidy and careless, at times very impertinent, she has to be called several times in the morning before she will get up, always late for school. Patron thinks she is doing her very poorest in order to get sent back to Carlisle. Mary is so little help that Patron is not willing to keep her longer. She should be transferred.

Mrs. Susan Farner,

R. F. D. 5, Syracuse, N. Y.

My dear Madam:

I have received your letter of June the 21st, regarding the period of enrolment for which your daughter, Mary D. Jimerson, was received here.

Replying thereto I have to advise that although she came in December her period of enrolment will not terminate until after the close of school next June. She came too late to be credited with attendance for the year 1908, and in accordance with the Regulations she will not be entitled to return home until June of 1914.

In view of the fact that the month of December is practically the middle of the school year it would not be to Mary's advantage to give up her work just at that time.

Very truly yours,

HKM.
