INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Miss Emily Poody,

My dear Friend:

I have received your letter of September the 16th and am sorry to learn that we shall not have you and your sister Dora with us for this year's work.

I have noted, however, that you desire to have your smaller brother come to Carlisle and in order that it can be determined whether he is eligible I would thank you to have the blanks herewith carefully filled out. In connection with the information required on the school attendance blank it is desired that his teacher state definitely whether his record in school has been entirely satisfactory. An effort is being made this year to enroll only those students who have conducted themselves properly and who can be believed to make good use of their time if they are enrolled.

Hoping that you and your sister have had a pleasant and profitable summer, I remain, with best wishes,

Your friend,
