INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Friedman,

Dear Sir, -

Rose Peazzoni, a pupil of
Carlisle school, has been with me
two and one half years - she is
very studious and fond of the school
here - she is anxious to continue her
studies in this school - Her brother,
Eli Peazzoni, is married and
living near us, her two younger
sisters are also living near us -
can it be arranged so that
she can remain here - instead
of returning to Carlisle for the

² final six months of her term
with that school? She is
desirous of returning for a
visit ~~of~~ a week or two when
the girls return - Could
that wish be gratified also?

She is worthy and I would
be pleased if these requests
could be gratified and
would appreciate your
kindness in the matter.

Respectfully

Mrs F. C. Colby.

My dear Sir:

This is to advise that your daughter Rose has finally decided to go to her home and that arrangements are being completed to have her leave here on Friday of this week. Transportation for her passage to Keddie, California, is being provided for her use at her own request because she desires to visit at the Greenville School for several days before she comes on to your home.

Rose has had splendid training and it is hoped that an opportunity will present itself for her to enter the Indian School Service in some capacity. If there is anything I can do to help in securing such a position for her I will gladly do what I can.

Hoping that you will be well pleased with what she has made of herself and that you will write to me when she has arrived at your home, I am,

Dear Sir;

This matter might have been forgotten as it seems. When I left there I understood that the balance of our money which we had in bank was to be sent us after we reached home, but it has not been so with me. I had over seventy dollars when I was there, thirty-five of this I drew for necessary outfits for home. As there has been some changes in office this I judge has been overlooked. I also expected to return so did not remind you of the matter, but since I am not I will be grateful to you if you will forward the balance.

Dear Sir;

Through a friend I have learned that by entering as a special student, I could be admitted at the Berkeley University. As I am starting to make arrangements concerning admittance, will you please send me my credits as I must have this to show in order that I may see what chances I have of entering. If I cannot enter Berkeley I am trying other means of gaining a higher education.
