This form is for the record of the physical condition of pupils of boarding or nonreservation Indian schools. It should be filled in by the school physician at the time of the admission of the pupil. Physicians in the field should use this form to record the examination of pupils for transfer to nonreservation schools. It should accompany the pupils' transfer blanks. The reverse side is intended as a card-index case-record for use by all Service physicians. 6-1955

Carlisle, Pa.

Dear Mr. Lucas Hart,

Peever, South Dakota.

My dear Friend:

Replying to the letter you addressed to Mr. Meyer at this school on January the 28th, this is to advise that very greatly enlarged courses will be offered students who enroll before the beginning of the next school year and I should like to see you get the benefit too of the additional work. However, I learned during the fall that you were mixed up in a whiskey peddling affair at the Flandreau School and unless there is any satisfactory explanation you can give I do not see how you can be recommended for re-enrolment here by Superintendent Mossman.

If your niece, Dorothy Mercy Hart, has completed sufficient school work to make it advisable to bring her to Carlisle I will be pleased to consider an approved application for her transfer at the proper time.

Very truly yours,

HKM.

Supervisor in Charge.

Dear Sir

Your letter
has been read to me and my
heart is glad to hear the good news
from my son Lucas Hart. As I,
myself, have never had opportu-
nity for schooling I am rejoiced
to know that my son can now
have the chance to become famili-
ar with books. I trust that he
will continue in good health,
while at home here, sometimes he
was troubled with constipation
of the bowels, and occasionally
hemorrhage of the nose. I thank you
Thomas Hart, Peever, S.D.

My dear Friend:

As you will probably be ready to return to school at an early date I will advise that Supt. Allen can procure transportation for you at Sisseton. You should not delay, therefore, about seeing him so that you can come on without further loss of school time. Mrs. Dodge of the Sisseton Agency will probably bring us a party of students soon and you could be of assistance to her if you would come on at the same time.

Very truly yours,

Superintendent.

I have received your letter of the 15th instant
