July 28th, 1915.

Mr. John Lewey,
Chebeague Landing, Maine.

My dear Friend:

I have received your letter of recent date and will state in reply thereto that you may return to school about September the 5th as you desire to do. The regular school work for the year is to begin on September the 7th and you should be here on that date.

I enclose herewith a blank upon which an application for your enrolment may be submitted to me. It is especially necessary that you be carefully examined by some physician and that a report of his findings be noted on the blank that is being enclosed with the application blank, which is also to be returned to me.

There is being enclosed an extra blank upon which an application for your brother's enrolment may be submitted to me for consideration. It should be filled out before a Notary Public or a Justice of the Peace so that complete and definite information will be given. Do not bring your brother to Carlisle until an application for his enrolment has had consideration and you are advised what to do.

-2- Mr. John Lewey, Chebeague Landing, Maine.

Hoping that I can assist you further to carry out
your wishes, I remain, with best wishes,

Your friend,

Encls.

HKM.

Acting Superintendent.

Mr. Mc Kean:

Respectfully,

Superintendent.

Mr. Wallace Lewey,
Princeton, Maine.

My dear Sir:

This is to advise you that your nephew, John Lewey, has been given permission to leave this school to go to your home. He will leave here this evening and transportation to Boston has been procured for his use. John intends to take the boat from Boston to the point nearest your home, and he has sufficient funds to pay for his passage from Boston.

Very respectfully,

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
